

Acknowledgement

Cairns Regional Council would like to acknowledge Ezra Anu, Aquilar Luki & Jessie Grinter from the Community & Cultural Development Team for their hard work and commitment in compiling the Indigenous Organisation Directory 2007 into a useful tool that will inform community members and groups of the various Aboriginal & Torres Strait Islander organisations in Far North Queensland.

The team's dedication comes from their passionate belief in Human Rights and Social Justice, Equal Opportunity and Social Inclusiveness and aims to provide a useful resource to the wider community.

The Indigenous Organisations Directory 2008/9 has been and is constantly being updated, and also provides and a comprehensive guidebook of Aboriginal & Torres Strait Islander organisations in the Cairns and surrounding area.

Foreword

The City of Cairns is the capital hub of Far North Queensland, internationally recognised as an innovative and growing regional centre.

Cairns lies between two reef and rainforest World Heritage areas with a rich and diverse history. The region is home to a vibrant culturally and linguistically diverse population, offering an exciting mix of culinary, entertainment, visual arts and shopping experiences.

Cairns prides itself as a safe and welcoming city that encourages all people to engage, enjoy and benefit from all that it offers. This includes making Cairns a City in which people with disabilities can benefit equally, encouraging them to live, work, shop, do business and spend leisure time in this beautiful part of the world.

We offer the following the following information, complete with a map of the Cairns Business District.
