

Natural Disasters

PICTURE MATCH

Instructions

1. Print out or photocopy the following pictures of different natural disasters.
2. Also print out, or write on paper, the names of the following disasters.
3. Instruct students to match up the pictures with the associated disaster word. The student who correctly matches the pictures first wins.
4. This activity can be performed individually, in pairs or in small groups.
5. Answers to the questions are below. If you have time, discuss which of these could occur in Cairns.
