Waste & Recycling Community Presentation

Terms & Conditions

Community Presentation Session Overview:

Duration: 1 hour*	
<p>Do you want to know more about how the Cairns Regional Council manages residential waste and recycling? Do you have questions about what goes in your yellow lid recycling bin and what doesn't? Ever wondered how those Council facilities on Ray Jones Drive work and what's happening inside?</p> <p>Book an informative and engaging presentation by Cairns Regional Council's Waste Education Officer, who will give you a comprehensive overview of CRC Resource Recovery operations and share with you tips and tricks on how to reduce, reuse and recycle waste better at home, work and school.</p> <p>The one-hour presentation can be delivered at your preferred location within the Cairns Regional Council local government area.</p> <p>* Presentation times are flexible, varied deliveries for special events are possible. Please speak with Council's Waste Education Officer for further information.</p>	
The session also covers the following learning areas:	
<ul style="list-style-type: none">• Understanding diverse types of waste• Examining the environmental impacts of waste• Investigating the waste management process specific to the Cairns region• Exploring methods for reducing, reusing and recycling waste as best as possible	
Optional Q&A session	
<p>You can also book extra time (in addition to your 1 hour session) for more question and answer opportunities around recycling dos and don'ts.</p>	
Available days	Tuesday – Thursdays, excluding public holidays
Cost	Sessions are free of charge for residents within the Cairns Regional Council local government area.
Risk Assessment Information	Please see information below
Other education opportunities	Additionally, your group can also book a free Council facility community tour, transport costs are not included. View Council's Booking page for further information.
