

ORDINARY MEETING	5.9
14 OCTOBER 2026	

CAIRNS TRAFFIC ADVISORY COMMITTEE 10 SEPTEMBER 2026

CIA 87/15/1 | #7953074

RECOMMENDATION:

That Council notes the minutes of the Cairns Traffic Advisory Committee (CTAC) of the 10 September 2026

INTERESTED PARTIES:

- Department of Transport & Main Roads (DTMR)
- Queensland Police Service (QPS)
- RACQ
- Education Queensland
- Queensland Rail
- Kinetic
- Cairns Taxis
- Translink
- Tropic Wings Cairns Tours & Charters

Note: The identification of interested parties is provided on a best endeavours basis by Council Officers and may not be exhaustive.

EXECUTIVE SUMMARY:

This report provides the notes, agreements, and actions from the Cairns Traffic Advisory Committee (CTAC) meeting of 10 September 2026.

The main topics discussed were:

- Safety and traffic concerns raised by officers and elected members on local government and state-controlled roads.
- Various current and upcoming CRC initiatives and projects which will impact the road network.
- Various current and upcoming DTMR initiatives and projects which will impact the road network.
- Speed limit review (CRC and DTMR) outcomes advised to the Committee.
- Various QPS priorities and initiatives

BACKGROUND:

The primary objective of CTAC is to establish a platform for dialogue and information dissemination among relevant stakeholders and the Council regarding road safety and traffic concerns. The committee's purview encompasses strategic traffic-related matters that impact most, if not all, committee members and fall within the jurisdiction of the Cairns Regional Council. Each meeting is designated to address safety issues and hazards that have arisen in the previous quarter since the last meeting. Additionally, the meeting agenda includes a review and discussion of the minutes from the previous session to ascertain the status of action items.

COMMENT:

Invitations for the meeting of 10 September went out to representatives from Council, Department of Transport & Main Roads, Police, Kinetic (incl Translink), Cairns Taxis, RACQ, Education Queensland, Queensland Rail and Tropic Wings Cairns Tours & Charters.

The meeting had representation from:

- Cairns Regional Council Councillors and officers
- Cairns Taxis
- Department of Transport & Main Roads
- Kinetic
- Queensland Police Service
- Translink

OPTIONS:

Option 1: (Recommended)

That Council notes the minutes of the Cairns Traffic Advisory Committee (CTAC) of 10 September 2026.

Option 2:

That Council does not agree to the comments and actions of the CTAC minutes and requests Council officers provide further details.

CONSIDERATIONS:

Corporate and Operational Plans:

The CTAC relates primarily to the strategic goals *Design for Liveability* by enhancing safety for transport infrastructure users, and *Focused Council* by building effective partnerships to make collaborative decisions about traffic safety.

CONSULTATION:

The following organisations are core members of the CTAC:

- Cairns Regional Council
- Department of Transport & Main Roads
- Queensland Police Service (QPS)

The following organisation are support members of the CTAC:

- Education Queensland
- RACQ
- Queensland Rail
- Kinetic
- Cairns Taxis
- Tropic Wings Cairns Tours & Charters

	Confirmation of the Previous Minutes					
1.1	The minutes from the previous meeting were accepted. Any objections?	For noting	-	-	-	Approved minutes were circulated on the 09 July 2026. The Council Report for the last meeting minutes were approved on the 29 July 2026 at the Ordinary Meeting. 10/09: No objections.
	CRC Matters / Projects					
25.1-3	<u>Balaclava Road safety</u> <i>Safety concerns with road access & school Drop, Stop & Go and traffic management on Balaclava Road</i> <i>Raised by CRC (Cr Tim)</i>	For discussion	20/03/2025 12/06/2025 16/09/2025 09/12/2025 26/03/2026 18/06/2026 10/09/2026	CRC (TM) CRC (TM) CRC (TM) CRC (TM) CRC (TM) CRC (TM) CRC (TM)	Closed	20/03: Complaints have been received regarding the behaviour of the parents at the stop/drop and go location and safety hazards caused by oncoming cars when banked up. CRC are working with the school, creating a Safe St Committee to evaluate this issue. Possible round about to be installed to assist with the traffic flow. QPS have requested to be kept in the loop on the Safe St Committee. 12/06: CRC (Anita H) productive meeting on site (05/06), discussed the variety of issues and challenges. No immediately clear solution that is ideal for all parties. Action is currently to document issues, identify and revisit solutions, and meet again to discuss. 08/09: CRC (Anita H) initial “quick win” treatment applied – line marking a keep clear area at Meztrez Street intersection to (1) provide better sight lines around the queued vehicles to safely exit, (2) encourage more users to use the secondary stop-drop-go on Meztrez St with intent to reduce congestion on Balaclava Road. Further treatments are currently being investigated 18/09: CRC (TM) Stage 2 still has some work to do. 12/11: CRC (TM) Stage 2 works planning works ongoing. 09/12: CRC (TM) will provide information to TMR to progress this further. 23/03: CRC (TM) no change to previous comment. 18/06: CRC (TM) will investigate further. 07/09: CRC (TM) no further works for opening alternate routes planned at this stage. CRC continue to monitor performance, recommend closing. 10/09: The Committee agreed to close this item out.

25.3-6	<u>Access Complaint – Stoney Creek Road</u> <i>Residents have been complaining about the difficulty of turning right onto Cairns Western Arterial Road, Kamerunga.</i> <i>Raised by CRC (Cr Vallely)</i>	For discussion	16/09/2025 09/12/2025 26/03/2026 10/09/2026 03/12/2026	TMR (JG) TMR (JG) TMR (JG) CRC (TM) CRC (TM)	Re-opened	18/09: TMR (JG) will investigate and provide and an update, perhaps look at 'Keep Clear' road markings to ease the difficulty of crossing. 04/12: TMR (JG) TMR is aware of the issue. Design options are being considered for a potential Cairns Western Arterial Road upgrade, if and when funding becomes available. 09/12: CRC (TM) and Cr Vallely will discuss the unsafe situation outside of the meeting and provide details to TMR. 19/03: TMR (JG) No update was provided. 26/03: TMR (RS) This is a known issue and TMR are working on it. There is planning on this section. TMR will provide an update directly to Cr Vallely. Can stay up to date by subscribing to receive email updates and notifications via Cairns Western Arterial Road, Redlynch Connector Road to Captain Cook Highway, duplication Department of Transport and Main Roads This can be closed out. 10/09: CRC (TM) potentially part of an upcoming project taking place in 2032. Travis will confirm and provide Cr Vallely an update.
25.4-9	<u>Roundabout Safety Issue – Hardy Road/Lizard Street/ Foster Road, Mount Sheridan</u> <i>Request for speed reduced entering the roundabout.</i> <i>Raised by KINETIC (SW)</i>	For discussion	09/12/2025 26/03/2026 18/06/2026 10/09/2026 03/12/2026	CRC (TM) CRC (TM) CRC (TM) CRC (TM) CRC (TM)	Open	09/12: Kinetic (SW) will send details to CRC (TM) with his safety concerns at this roundabout. 23/03: CRC (TM) no further updates. 26/03: CRC (TM) will investigate this. 15/06: CRC (TM) this site is on the priority list for Road Safety Improvements Program, design reviewing options. 18/06: CRC (TM) the Design Team are looking into this for improvement solutions. There is no confirmed timeframe for this, Kinetic (SW) is happy that it has been acknowledged and to receive updates as they come in. 07/09: CRC (TM) no change. 10/09: CRC (TM) will advance this to the design team.

24.4-1 & 25.3-3	<u>Pedestrian Safety and Speeding at Ellis Beach</u> <i>Options for safer pedestrian crossing and to manage speeding. Proposed speed Reduction.</i> <i>Raised by CRC (Cr Olds) & TMR (RS)</i>	For discussion	10/12/2024 20/03/2025 12/06/2025 16/09/2025 09/12/2025 26/03/2026 18/06/2026 10/09/2026 03/12/2026	TMR (JG) TMR (JG) TMR (JG) TMR (JG) TMR (JG) TMR (JG) TMR (RS) TMR (RS) TMR (RS)	Open	10/12: TMR to present a flowchart on the speed limit review chart. Formalise speed limit review process 13/03: TMR to provide overview of speed limit review process with reference to flow chart (figure 3.5) from page 11, Queensland Road Safety Technical User Volumes, Transport and Main Roads (August 2023) which outlines the formal process. 20/03: TMR to provide update on the pedestrian facility at the next meeting. CRC (Anita H) to discuss with CRC Officers. 04/06: CRC (Anita H) during a meeting with TMR (14-05-2025) confirmed that this item/action shouldn't be with Council, as it is a TMR road. 12/06: TMR (SC) will seek an update from John Gillespie. 18/09: TMR (JG) will follow this up with the Design Team and send an update to SAMP Support asap to include in these minutes, no updates received as of 25/09/25. The speed limit review is nearing completion, this is not signed off yet, hopefully by the next meeting. Looking at 50km per hour, designers are working on appropriate plans, including VAS (vehicle activated signs). 04/12: TMR (JG) as the site is on the proposed list for SRS submissions for 2026, a concept design has been prioritised. We expect to be able to present this to the CTAC by the end of Jan. We won't be able to submit formerly for funding until June 2026 if successful, it would be funded for delivery in 2027. 09/12: TMR (RS) internal approval has been given, can now be submitted formerly. 26/03 TMR (LG) won't be able to submit formerly for funding until June 2026 if successful, it would be funded for delivery in 2027. Will provide feedback at next CTAC meeting. 18/06: TMR (RS) shared the design on the screen with the proposed change. SLR has been completed and funding received. Signs will be changed to 50kms. VAS is North Bound and the South Bound will be reconfigured with the new changes. 07/09: TMR (RS) no update was provided. 10/09: TMR (RS) will circulate the details to the group for review. A time limit of 20 business days has been agreed on. Once approved by SMC at CTAC, this will then get progressed to the Brisbane Safety Road Team for endorsement.

24.4-4	<u>Traffic Lights Phasing – Brown St</u> <i>Traffic lights on Brown Street there is no left or right Turning lanes</i> <i>Raised by KINETIC (JO)</i>	For discussion	20/03/2025 12/06/2025 16/09/2025 09/12/2025 26/03/2026 18/06/2026 10/09/2026	Kinetic (JO) TMR (JW) TMR (JW) TMR (RS) TMR (RS) TMR (JW) TMR (JW)	Closed	10/12: Kinetic (JO) to provide feedback on times and when it happens to TMR so they can investigate matters and responses. 11/03: An update has been provided to TMR, no response received. 20/03: TMR (Jane) investigated this and required further details on timing. Kinetic provided feedback to TMR. This is peak hour/capacity management. Kinetic (JO) will contact TMR (JW) outside of this meeting to discuss. 12/06: TMR (JW) Mulgrave Road is the priority. Kinetic (SW) will send specific data/details to TMR, how many buses and how many per hour etc. to enable TMR to look more into this issue. They will meet offline to discuss this further. 18/09: TMR (RS) will follow this up with Jolene. CRC (TM) will add this to the operational meetings. 04/12: TMR (JG) TMR has not received any feedback from Kinetic regarding the times that the buses utilise the intersection. 09/12: TMR (RS) will discuss this with the Signal Phasing Team to see if they have anything further to add to this issue. Kinetic (SW) no specific times, all day the buses have issues getting in and out of Mulgrave Road. 19/03: TMR (RS) no update was provided. 26/03: Kinetic (SW) suggested changing the right-hand land onto Mulgrave Road. 26/03: TMR (JW) funding will need to be sourced to carry this out and to investigate the effects of this change using traffic counts etc. Will provide update at next meeting. 10/06: TMR (RS) no update has been provided. 18/06: TMR (JW) mentioned there is a potential statewide funding opportunity where they will bundle this up with their submission for funding consideration. Analyse what can be done to make it better, timing improvements, line marking etc. 26/08: TMR (JW) unfortunately, we were not successful in obtaining funding. TMR will continue to monitor these signals and implement timing adjustments, if necessary, to optimise traffic flow and safety. 10/09: The Committee agreed to close this item out.

25.4-5	<u>Pease Street & Reservoir Road Intersection</u> <i>The chevron island near Pease Street Intersection has vehicles traversing the island illegally to get to the left lane to turn onto Pease Street, similar to 5 ways.</i> <i>Raised by QPS (Craig Johnson) and raised again by KINETIC (SW)</i>	For discussion	09/12/2025 26/03/2026 10/09/2026	TMR (RS) TMR (RS) TMR (RS)	Closed	09/12: TMR (RS) will discuss this with his team, possibly use RPMs as a temporary measure, a long-term solution would be to install rumble bars and install flexible bollards. 19/03: TMR (RS) no update was provided. 26/03: TMR (RS) will provide an update directly to QPS. This can be closed out. 18/06: Kinetic (SW) is not recommending the rumble bars to be installed. TMR (RS) will review this and come back to us with an update in writing now that he has two points of view on this issue. 07/09: TMR (RS) no update was provided. 10/09: TMR (RS) raised this with the designers. The Committee agreed to not install the rumble bars and to close this item out.
26.1-1	<u>Safety Issues – 27 Reservoir Road, Manoora</u> <i>There are frequent accidents and near misses as vehicle are misjudging oncoming traffic and making illegal U-turns.</i> <i>Raised by Daniel Freebody (Cairns Carwash Café) via Cr Middleton</i>	For discussion	26/03/2026 18/06/2026 10/09/2026	TMR (RS) TMR (RS) TMR (RS)	Closed	26/03: TMR (RS) will investigate. 10/06: TMR (RS) no update has been provided. 18/06: TMR (RS) the Planning Team are looking into long term planning. Possibly install a 'No U Turn Permitted' sign, however the stats will need to be checked to confirm this is a potential safety issue. Richard will seek an update and send this to SAMP Support to include in the minutes. 30/06: TMR (MR) good visibility and limited crashes. U-turns not illegal because intersection is unsignalized. There is demand for the U-turn movement. Low speed, low risk. No changes proposed in the short term. 07/09: TMR (RS) no update was provided. 10/09: TMR (RS) wait and see what the planning suggestions are for Cairns Western Arterial Road. The Committee agreed to close this item out. CRC (TM) will contact Daniel Freebody with an update.
26.2-1	<u>Removal of a car body – Cairns Western Arterial Road, just before Kanimbla</u> <i>Cr Vallely would like an ETA on the removal of the car body that has been sitting in the middle of the road for over a month.</i> <i>Raised by CRC (Cr Vallely)</i>	For discussion	10/09/2026	TMR (RS)	Closed	18/09: TMR (RS) will be discussing this in a meeting next week. 07/09: TMR (RS) no update was provided. 10/09: TMR (RS) car body has been removed. The Committee agreed to close this item out.
