Keep Excess Horses/s on an Allotment Information Sheet

Under *Cairns Regional Council Subordinate Local Law No. 2 (Animal Management) 2016*, Schedule 1, it is prohibited to keep a horse on any allotment with an area less than 2,000m². Under the *Cairns Regional Council Subordinate Local Law No. 2 (Animal Management) 2016*, Schedule 2, an approval is required to keep more than one (1) horse on an allotment 2,000m² to 10,000m².

In order to process your application you must have an established area for the horses. Once Council receives your completed application and relevant fees, an appointment will be made to access the premises for the assessment of the application. A permit may specify certain regulations be followed such as the daily collection of manure, regular worming of the horses and hand feeding on a daily basis.

Please refer to Councils website for relevant application fees.

Renewal applications will be issued and be due payable on the 1st July each year. Re-inspection of your premises may be required after receipt of your renewal application.

Should: -

- one (1) of the horses become deceased, or is moved from the area and you wish to replace the horse and continue to keep excess horses, you must then reapply for a new application.
- the horses move from the address, you must then reapply for a new application.
- you wish to breed from these horses, you must apply for an application for approval to breed.
- you wish to keep more horses than permitted under Councils Local Law, it may be necessary to apply for a development approval through Planning.

Cairns Regional Council Local Law No. 2 (Animal Management) 2016

Part 2 – Division 4 - Minimum standards for keeping animals generally

Section 11

1. All animals—

The keeper of the animal must:

- (a) ensure that any land adjoining a road on which an animal is kept is adequately fenced so as to prevent animals escaping from the land onto the road;
- (b) ensure that waste waters from enclosures are drained in a nuisance free manner and that run-off is kept off adjoining premises or as otherwise directed by an authorised person;
- (c) ensure that: (i) excreta, food scraps and other material that is, or is likely to become, offensive (“waste”) is collected at least daily;
 - (ii) such waste, if not immediately removed from the premises, is kept in a water proof receptacle that prevents access to flies and vermin and does not allow the emission of nuisance odours; and
 - (iii) such waste is removed at least weekly and disposed of in such a manner so as not to be a nuisance or injurious to health;
- (d) ensure that any enclosure in which the animal is kept is properly maintained in: (i) a clean and sanitary condition;
 - (ii) in good repair and appearance; and
 - (iii) free from flies, rats, or other vermin and nuisance odours;
- (e) ensure that any enclosure in which the animal is kept is not located within 10m of a place used for the preparation of food other than a place used for the preparation of food by the owner of, or the responsible person for, the animal;
- (f) ensure that an enclosure provides adequate space for the type of animal being kept therein;
- (g) provide and maintain impervious rat-proof receptacles and other impervious rat-proof storeroom facilities for the storage of feed;
- (h) provide the animal with and ensure the animal has access to adequate shelter from sun, wind and rain;
- (i) provide the animal with an appropriate quantity and quality of food and an appropriate quantity of clean drinking water to maintain an animal in good health; and
- (j) ensure that an animal is kept so that it does not:
 - (i) cause an unreasonable nuisance; or (ii) become injurious or prejudicial to health.

Cairns Regional Council Subordinate Local Law No. 2 (Animal Management) 2016

Schedule 3 - Specific standards for keeping particular animals

Section 12

Horse, Cattle, Donkey, Sheep, Goat and other animals of a similar size: -

- (1) Ensure that the animal is adequately identified so that the owner's name, address and telephone number are readily ascertainable;
- (2) Each owner of, and responsible person for, an animal specified in Column 1, item 3 which is kept at a stable on premises must ensure that:
 - (a) the stable is not located within a 10 metre radius of:
 - (i) a residence on adjoining premises; or
 - (ii) a place used for the manufacture, preparation or storage of food intended for human consumption other than a domestic kitchen used solely for domestic purposes by the owner or responsible person for the animal.
 - (b) the stable is set back a minimum of 2 meters from each boundary of the premises;
 - (c) the stable is located a minimum of 20 meters from any watercourse, well or bore;
 - (d) the stable has a floor which is covered with an absorbent soft floor material which is changed at least once in every six week period;
 - (e) the interior of the stable and any associated open yard are cleaned of manure and other unhygienic matter daily;
 - (f) the construction of the stable complies with the requirements of any applicable approval or code; and
 - (g) the stable is maintained in good condition and repair.
- (3) Each owner of, and responsible person for, an animal which is kept free range or in a paddock on premises must ensure that shelter of a clean, dry and shady nature is provided together with a minimum space per animal as prescribed in the Model Code of Practice for the Welfare of Animals published from time to time by the Commonwealth Scientific and Industrial Research Organisation.
