Objection Details	
<p>Objections must be lodged within thirty (30) days of the date of issue of the relevant rate notice. The sole ground on which you may object is that, having regard to the criteria adopted by Council for categorising rateable land, you consider your land should have been included, as at the date of issue of the rate notice, in another of the rating categories adopted by Council.</p> <p>The posting or lodging of a Notice of Objection to Rates Category with Council will not, in the meantime, affect the levy and recovery of the rates specified in the rates notice. You are still required to pay your rates by the due date.</p> <p>If, because of the objection made, your land is included, as at the date of issue of the rates notice, in another category, an adjustment of rates will be made at that time.</p>	
Reason for Objection – As at the date of the relevant rate notice, the land should have been included in the following category for rating purposes:

Additional Information	
<p>Upon receipt of the signed declaration Council will review the Differential General Rates Category and you will be notified in writing of the outcome. Ongoing checks are made by authorised Council Officers to maintain the accuracy of Council records.</p>	

Declaration			
I declare that the information provided above is true and correct. I agree that if this claim proves false, Council reserves the right to recover the rates foregone and refuse any future application.
