LIGHT MOVES ROAD CLOSURE NOTIFICATION

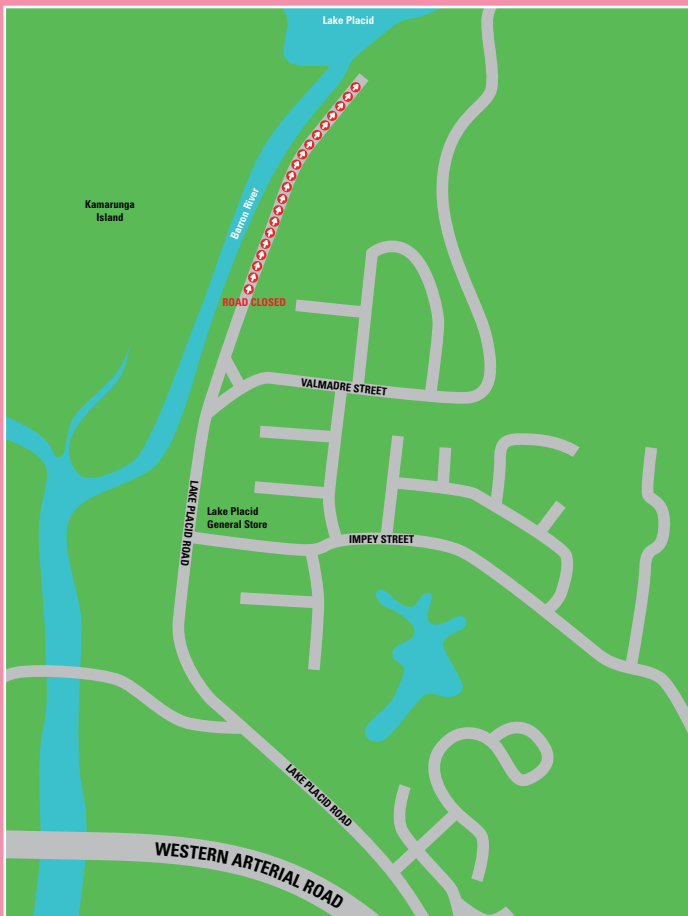

Lake Placid Road, Barron Gorge

Light Moves is a world of performance, colour and projection art reflected in the calm waters of Lake Placid. The lake is a Djabugay storywater place. The narrative of this place is told through an animation of creation motifs, specific to the location represented through artwork by Yirrganydji/Djabugay artist Bernard Lee Singleton Jr. This and other animated artworks are projected across the water onto the rainforested gorge.

The event will be held on **Tuesday 29 August 2023** from approximately **6.00pm - 9.15pm**. The **Lake Placid Road closure** will affect the entrance to **Lake Placid Recreational Reserve** between the hours of **5.00pm - 9.30pm**.
