COASTAL CONVERSATION

What does our region's coastline mean to you? Tell us what you love about the coastal environment and what activities are important to you by completing an online survey via Council's website. It's part of the Our Cairns Coast project, which will provide a strategic approach to future coastline changes due to erosion, storm tide and sea level rise. Information stalls will be available at the Tanks Markets on 28 April and at EcoFiesta on 2 June. Complete the online survey at www.cairns.qld.gov.au/ourcairnscost.

Do the right thing by your pet!

As a responsible pet owner you have an obligation to care for the health and well-being of your animal.

Dogs and cats can provide great joy and companionship but it does come with responsibility.

Council has a new Facebook page called **Cairns Pets** with all sorts of helpful information and tips. So check it out and Like it to keep updated on any pet-related events coming your way.

On 11 May, the next **Fur-Ever Home** pet adoption day takes place at Cannon Park Racecourse from 9am to 1pm. Council has now held three of these events and managed to find homes for nearly 300 animals.
