Schedule 31 - Dictionary	80

Part 1 Preliminary

1 Short title

This subordinate local law may be cited as *Subordinate Local Law No. 1 (Administration) 2011*.

2 Purpose and how it is to be achieved

- (1) The purpose of this subordinate local law is to supplement *Local Law No. 1 (Administration) 2011*, which provides for a legal and procedural framework for the administration, implementation and enforcement of the local government's local laws, subordinate local laws and other regulatory powers, and for miscellaneous administrative matters.
- (2) The purpose is to be achieved by providing for—
 - (a) various matters regarding the granting of approvals for prescribed activities; and
 - (b) further specification of the definitions relevant to various prescribed activities.

3 Authorising local law

The making of the provisions in this subordinate local law is authorised by *Local Law No. 1 (Administration) 2011* (the **authorising local law**).

4 Definitions

- (a) The dictionary in the schedule defines particular words used in this subordinate local law.
- (b) All other words have the same meaning as in the local law.

Part 2 Approvals for prescribed activities

5 Prescribed activities that do not require an approval -authorising local law, s 6(3)

For section 6(3) of the authorising local law, it is declared that section 6(2) of the authorising local law does not apply to the prescribed activities listed in schedule 1.

6 Categories of prescribed activities for the purposes of maximum penalties -authorising local law, s 6(4)

For section 6(4) of the authorising local law, it is declared that—

- (a) the prescribed activities listed in part 1 of schedule 2 are category 1 activities; and
- (b) the prescribed activities listed in part 2 of schedule 2 are category 2 activities; and

- (c) the prescribed activities listed in part 3 of schedule 2 are category 3 activities.

7 Approvals that are non-transferable - authorising local law, s 15(2)

For section 15(2) of the authorising local law, it is declared that the categories of approval listed in schedule 3 are non-transferable.

8 Prescribed complementary accommodation - authorising local law, schedule 1

For the purposes of the definition of **complementary accommodation** in schedule 1 of the authorising local law, the accommodation listed in schedule 4 is prescribed as appropriate for caravan parks.

9 State-controlled roads to which the local law applies- authorising local law, schedule 1

For the purposes of the definition of **road** in schedule 1 of the authorising local law, the State-controlled roads listed in schedule 5 are roads to which the Authorising local law applies unless otherwise provided in the local law.

10 Public place activities that are prescribed activities - authorising local law, schedule 2, part 2

For the purposes of paragraph (c) of the definition of **undertaking regulated activities on local government controlled areas and roads** in part 2 of schedule 2 of the Authorising local law, the holding of a public place activity listed in schedule 6 is a prescribed activity.

11 Matters regarding prescribed activities - authorising local law, ss 6(3), 8(2)(a), 9(1)(d), 10(3), 12, 13(a), 14(1)(a)

- (1) For each prescribed activity, the following schedules prescribe the matters specified in this section for the prescribed activity named in section 1 of each schedule.
- (2) For section 6(3) of the authorising local law, it is declared that section 6(2) of the Authorising local law does not apply to an activity stated in section 2 of the schedule relating to the prescribed activity.
- (3) For section 8(2)(a) of the authorising local law, the documents and materials that must accompany an application for approval for the prescribed activity are stated in section 3 of the schedule relating to the prescribed activity.
- (4) For section 9(1)(d) of the authorising local law, the local government may only grant an approval for a prescribed activity if it is satisfied the proposed operation and management of the activity would be consistent with the additional criteria prescribed in section 4 of the schedule relating to the prescribed activity.
- (5) For section 10(3) of the authorising local law, the conditions that must be imposed on an approval for a prescribed activity are stated in section 5 of the schedule relating to the prescribed activity.
- (6) For section 10(3) of the authorising local law, the conditions that will ordinarily be

imposed on an approval for a prescribed activity are stated in section 6 of the schedule relating to the prescribed activity.

- (7) For section 13(a) of the authorising local law, the term of an approval for a prescribed activity is provided for in section 7 of the schedule relating to the prescribed activity.
- (8) For section 14(1)(a) of the authorising local law, the further term for renewal or extension of an approval for a prescribed activity is provided for in section 8 of the schedule relating to the prescribed activity.
- (9) For section 12 of the authorising local law, in Table 1 of the schedule relating to a prescribed activity—
 - (a) column 1 lists the application requirements for which the local government may accept as evidence the certificate of a third party certifier; and
 - (b) column 2 lists the individuals or organisations that are declared to be third party certifiers for the corresponding application requirement in column 1; and
 - (c) column 3 lists the qualifications that are necessary for an individual or organisation to be a third party certifier for the corresponding application requirement in column 1.

Schedule 1 - Prescribed activities that do not require an approval under the authorising local law

Section 5

- (a) Intensive Animal Husbandry as defined in CairnsPlan and the Douglas Shire Planning Scheme;
- (b) Primary Industry as defined in CairnsPlan and the Douglas Shire Planning Scheme;
- (c) Keeping native animals with an appropriate permit.

Schedule 2 - Categories of prescribed activities for the purposes of maximum penalties

Section 6

Part 1 Category 1 activities

- 1 alteration or improvement to local government controlled areas and roads;
- 2 commercial use of local government controlled areas and roads;
- 3 establishment or occupation of a temporary home;
- 4 installation of advertising devices;
- 5 keeping of animals;
- 6 undertaking regulated activities regarding human remains;
- 7 undertaking regulated activities on local government controlled facilities, areas and roads;
- 8 use of bathing reserves for training, competitions etc;
- 9 operation of camping grounds;
- 10 operation of caravan parks;
- 11 operation of public swimming pools;
- 12 operation of shared facility accommodation;
- 13 operation of temporary entertainment events.

Part 2 Category 2 activities

- 1 operation of cemeteries.

Part 3 Category 3 activities

- 1 operation of cane railways.

Schedule 3 - Categories of approval that are non-transferable

Section 7

1. temporary homes;
2. pedestrian malls – vehicle and activities;
3. temporary entertainment events;
4. operation of a lifesaving competition in a bathing reserve;
5. operation of a caravan park;
6. activities on local government controlled facilities, areas and roads;
7. commercial recreational activities.

Schedule 4 - Prescribed complementary accommodation

Section 8

1. registered caravans;
2. demountable units;
3. relocatable home.

Schedule 5 - State-controlled roads to which the local law applies

Section 9

All State controlled roads within the Cairns Regional Council Local Government Area.

Schedule 6 - Public place activities that are prescribed activities

Section 10

Column 1 Local government controlled road or area	Column 2 Prescribed Activity
The whole of the local government area including: • all pedestrian malls • Lake Morris • The Esplanade Cairns City • all parks and reserves, natural areas and cultural reserves and drainage channels • all footpaths • all bridges ¹ • all roads [*]	Distribution of Business Advertising Publications (a) If a business publication is distributed in a public place the following persons are taken to have distributed the business advertising publication— (i) any person who actually distributes the business advertising publication; (ii) any operator or person in control of a business, commercial, trade activity or premises publicised by the distribution of the business advertising publication Touting or Soliciting (a) If touting is conducted in a public place, the following persons are taken to have touted - (i) any person who actually touts; (ii) any operator or person in control of a business, commercial, trade activity or premises publicised by the touting. Schedule 7 - Alteration or improvement to local government controlled areas and roads

Section 11

1 Prescribed activity

Alteration or improvement to local government controlled areas and roads

—*Example: construction of a footpath, construction of a driveway*

2 Activities that do not require approval under the Authorising local law

Nil

3 Documents and materials that must accompany applications for approval

The following documents and materials must accompany an application for an approval—

- (a) application form;
- (b) application fee (as determined within Council's Schedule of Fees and Charges); and
- (c) documents, information and materials identified within the relevant approved application form.

4 Additional criteria for the granting of approval

The following criteria are criteria that must be considered for the granting of approval—

- (a) whether in the opinion of an authorised person the proposed activity would—
 - (i) adversely effect the amenity of the area and/or the environment; or
 - (ii) adversely effect existing services located in, on or over a road.

5 Conditions that must be imposed on approvals

The following conditions are conditions that must be imposed on approvals:

- (a) The approval holder, its contractors or agents must—
 - (i) only carry out the approved works or activities at the location specified in the approval;
 - (ii) ensure unobstructed movement of vehicles and pedestrians;
 - (iii) operate within the hours specified on the approval;
 - (iv) take out public liability insurance in an amount nominated by the local government in the application for approval, and to name local government as an interested party on the policy;
 - (v) indemnify the local government, against claims for personal injury (including death) and damage to property (including economic loss) arising by, through or in connection with the works or activity;
 - (vi) lodge a security for performance bond in the amount decided by the local government and specified in the approval;
 - (vii) comply with any deadline for completion of the works or ceasing of the activity;
 - (viii) observe the standards specified in the approval in the carrying out the works or activity;
 - (ix) reinstate the area/road to the satisfaction of the local government's engineer following completion of the works or ceasing of an activity;
 - (x) ensure the safety of pedestrians and vehicles including but not limited to the safe temporary diversion of traffic, erection of warning lights and barricades;
 - (xi) comply with the requirements of relevant legislation, Australian standards and / or the FNQROC Development Manual;
 - (xii) Comply with all reasonable directions of an authorised person in the time specified by the authorised person.

6 Conditions that will ordinarily be imposed on approvals

As determined by an authorised person.

7 Term of approval

The term of approval is the period stated on the approval.

8 Term of renewal of approval

The term of any renewal is the same term as the original approval subject to compliance with all conditions stated in the approval.

Schedule 8 - Commercial use of local government controlled areas and roads

Section 11

1 Prescribed activity

Commercial use of local government controlled areas and roads

—*Example: street vendors*

2 Activities that do not require approval under the authorising local law

Nil

3 Documents and materials that must accompany applications for approval

The following documents and materials must accompany an application for an approval—

- (a) application form;
- (b) application fee (as determined within Council's Schedule of Fees and Charges); and
- (c) documents, information and materials identified within the relevant approved application form.

4 Additional criteria for the granting of approval

The following criteria are criteria that must be considered for the granting of approval—

- (a) whether in the opinion of an authorised person the proposed activity would—
 - (i) adversely effect the amenity of the area or road and/or the environment; or
 - (ii) adversely effect existing services located in, on or over an area or road.

5 Conditions that must be imposed on approvals

The following conditions are conditions that must be imposed on approvals—

- (a) The approval holder, its contractors or agents must—
 - (i) conduct the commercial recreation activity on the days and hours specified on the approval;
 - (ii) adhere to the safety standards;
 - (iii) indemnify the local government against all liability directly or indirectly associated with the activity;
 - (iv) take out a public liability insurance policy in the amount specified in the approval in the name of the operator and the local government;
 - (v) provide to its customers or any other persons undertaking the activity all necessary or appropriate safety equipment, warnings and instruction;
 - (vi) comply with all reasonable directions of an authorised person in the time specified by the authorised person.

6 Conditions that will ordinarily be imposed on approvals

The following conditions are the conditions that will ordinarily be imposed on an approval where applicable, in the opinion of an authorised person—

- (a) The approval holder, its contractors or agents may be required to—
 - (i) supply a written report advising compliance with the approval must be submitted to the Chief Executive Officer on an annual basis;
 - (ii) be responsible for any costs or expenses incurred by local government for rectifying any damage caused by the activity;
 - (iii) make smoking receptacles available to collect cigarette butts, lighted matches, tobacco products or any other lit materials;
 - (iv) ensure that vegetation, soil, sand, rocks, native animals or natural things are not interfered with, damaged or removed;
 - (v) not interfere with, paint, permanently mark, damage or remove any buildings, structures, fixtures, fittings or facilities provided by local government;

- (vi) not erect any permanent or temporary buildings, signs or structures upon the approved activity area without the written consent of local government;
- (vii) ensure that litter is collected and lawfully disposed at a local government waste transfer station;
- (viii) ensure that portable toilets are supplied as directed by local government;
- (ix) ensure that waste from portable toilets is collected by a regulated waste transporter and disposed of lawfully at a facility licensed to accept such waste
- (x) ensure that serving or selling any food, refreshments, souvenirs or other retail items is prohibited unless written approval of local government;
- (xi) ensure that cleaning, maintaining or repairing any vehicle, vessel, aircraft or other equipment except for emergency repairs is prohibited;
- (xii) ensure that activities are not permitted within 30 metres of a deployed stinger net;
- (xiii) advise the means by which impacts on the environment must be minimised;
- (xiv) advise the means by which impacts on the amenity of neighbouring areas must be minimised;
- (xv) ensure that its customers and all other persons undertaking the activity are accompanied and supervised by a person holding a recognised first aid certificate and all other certifications required by any State or Commonwealth authority;
- (xvi) only permit experienced and competent guides, agents or supervisors to oversee the operation of the activity;
- (xvii) accept full responsibility for the safe transportation of customers and all other persons undertaking the activity;
- (xviii) provide information, explanations, cautions and warnings to customers and all other persons undertaking the activity regarding the hazards likely to be encountered by them when the activity is undertaken;
- (xix) ensure that any motor vehicle, vessel, aircraft or other machinery used in connection with the activity, complies with all safety requirements and regulations and are operated in accordance with requirements, guidelines or recommendations published from time to time by the manufacturer or any State or Commonwealth authority;

- (xx) identify the points at which an operator is to access the site for the purpose of undertaking the commercial recreation activity;
- (xxi) state the number of customers to be taken to the site at any one time;
- (xxii) include the programming of a commercial recreation activity on the site;
- (xxiii) include the use of any roads, jetties, foreshores or other means of accessing the site;
- (xxiv) include the amenities or facilities to be provided for use by customers.

7 Term of approval

The term of approval is the period stated on the approval.

8 Term of renewal of approval

The term of the renewal of an approval is the same term as the original approval subject to compliance with all conditions stated on the approval.

Schedule 9 - Establishment or occupation of a temporary home

Section 11

1 Prescribed activity

Establishment or occupation of a temporary home

2 Activities that do not require approval under the Authorising local law

Nil

3 Documents and materials that must accompany applications for approval

The following documents and materials must accompany an application for an approval—

- (a) application form;
- (b) application fee (as determined within Council's Schedule of Fees and Charges); and
- (c) documents, information and materials identified within the relevant approved application form.

4 Additional criteria for the granting of approval

The following criteria are criteria that must be considered for the granting of approval—

- (a) that—
 - (i) the temporary home is not intended to be used as a permanent or indefinite place of habitation; and
 - (ii) there is a current development approval to erect a dwelling on the relevant land which dwelling (or a part of which dwelling) will be used as a permanent or indefinite place of habitation; and
- (b) the temporary home has in the opinion of an authorised person a sufficient source of water supply and sufficient means of disposal of effluent and refuse to ensure that minimum standards of health and hygiene for safe human habitation can be established and maintained.

5 Conditions that must be imposed on approvals

The following conditions are conditions that must be imposed on approvals—

- (a) The approval must state—
 - (i) the date by which substantial progress must be made towards the completion of the dwelling to be constructed on the land ; and
 - (ii) the date by which habitation must cease; and

- (iii) the dimensions of the temporary home or any part thereof; and
- (iv) toilet and laundry facilities which must be provided as part of the temporary home; and
- (v) the method by which water is to be supplied to the temporary home; and
- (vi) the method by which waste water and refuse are to be disposed of from the temporary home.

6 Conditions that will ordinarily be imposed on approvals

The following conditions are the conditions that will ordinarily be imposed on an approval where applicable, in the opinion of an authorised person—

- (a) The approval may state—
 - (i) the construction materials and methods of construction of the temporary home or any part thereof; and
 - (ii) painting and other external treatment of the temporary home or any part thereof, either at the stage of construction or at any later time; and

7 Term of approval

An approval commences on the date of issue and terminates on:

- (a) the date specified in the approval, being a date determined by the local government but being not more than 12 months after the date of issue; or
- (b) the date on which a dwelling on the relevant land is *removed: “substantially”* completed, whichever is sooner.

8 Term of renewal of approval

The term of any renewal is the same term as the original approval subject to compliance with all conditions stated on the approval.

Schedule 10 - Installation of advertising devices

Section 11

1 Prescribed activity

Installation of advertising devices, only within the former Cairns City council local government area.

—*Example: Real Estate advertisement; or Portable advertisement – A frame*

2 Activities that do not require approval under the authorising local law

Replaced with table and combined..

The activities within the following specified locations do not require approval for advertising devices— :

Location	Activity – Installation of advertising devices
(a) all areas	(i) home based business advertisements; (ii) home activity advertisements; (iii) construction advertisements with an advertisement area not exceeding 2m ² ; (iv) public information advertisements; (v) real estate advertisements with an advertisement area not exceeding 1.5m ² .
(b) city centre, sub regional centre, district centre, local centre and city port planning area	(i) ancillary advertisements with an advertisement area not exceeding 3m ² ; (ii) window advertisements.
(c) industrial or commercial planning area	(i) ancillary advertisements with an advertisement area not exceeding 3m ² ; (ii) bunting; (iii) estate entrance advertisements; (iv) estate sales office; (v) window advertisements.
(d) rural 1, rural 2, low density residential, residential 1, residential 2, residential 3 or tourist and residential planning area	(i) ancillary advertisements with an advertisement area not exceeding 3m ² ;

3 Documents and materials that must accompany applications for approval

The following documents and materials must accompany an application for an approval—

- (a) application form;
- (b) application fee (as determined within Council's Schedule of Fees and Charges); and
- (c) documents, information and materials identified within the relevant approved application form.

4 Additional criteria for the granting of approval

The following criteria are criteria that must be considered for the granting of approval, in the opinion of an authorised person—

Type of advertisement	Criteria
(a) all advertisements	(i) be structurally sound; and (ii) cause no significant obstruction of, or distraction to, vehicular or pedestrian traffic; and (iii) be consistent with relevant applicable environmental protection policies; and (iv) have dimensions that bear a reasonable relationship to the dimensions of surrounding buildings and lots, so that its presence is not unduly dominating or oppressive; and (v) not unreasonably obstruct existing views; and (vi) be consistent in colour and appearance with building and natural features of the environment in which it is to be situated; and (vii) be in other respects consistent with the character and values of the environment in which it is to be situated; and (viii) when overhanging a footpath, provide a minimum clearance of 2.5m between the lowest part of the advertisement and the footpath; and (ix) be coordinated and compatible in its contents, where there are multiple advertisements on site, with the other advertisements on site and reflect the architecture and style of any buildings or structures on the site; and

Type of advertisement	Criteria
(a) all advertisements <i>continued...</i>	(x) be designed so as not to detrimentally affect the amenity of the site or the locality, by reason of their location, construction or design; and (xi) not emit excessive glare or reflection from internal or external illumination; and (xii) be constructed of durable materials and maintained in good condition at all times; and (xiii) be constructed in a workmanlike manner, so as not to endanger public safety; and (xiv) be constructed so that there is no exposure of supports, fixing, suspension or other systems required for proper installation, unless constructed as an integral feature of the advertisement; and (xv) not obscure a motorist's view in any way, particularly when an advertisement is proposed to be located on or near a street corner or junction; and (xvi) be consistent with the character of the surrounding area and pose no hazard to pedestrians or distraction to motorists; and (xvii) comply with relevant Australian standards in regard to all electrical services and systems associated with the advertisement; and (xviii) not be able to be misconstrued as a traffic control device or obscure motorist's view of a traffic control device; and (xix) display street numbers when they are not already displayed on the premises; and (xx) A-frame sandwich board advertisements must display information relating directly to the primary business it is advertising; and (xxi) must be on-site.
(b) construction advertisements	(i) must not be animated or internally illuminated; (ii) the advertisement must be removed when construction work is completed.
(c) estate entrance advertisement / estate sales office	(i) details of the advertisement must be provided with applications for reconfiguration of a lot.

Type of advertisement	Criteria
(d) real estate advertisements	(i) a real estate advertisement must be displayed on the property or premises for sale, lease, tender or auction only, and shall be removed within a reasonable period, in the opinion of an authorised person, after sale or lease of the property or premises; (ii) the maximum height of the advertisement must not exceed 3.6 metres; (iii) advertisements are limited to one advertisement per street frontage.
(e) transom advertisements	(i) must not extend below the head of a doorway; (ii) must not project more than 100mm from a wall.
(f) advertisements in all areas—	(i) the number of advertisements already existing on the site; (ii) the impact of the proposed advertisement on the amenity of the area; (iii) whether the proposed advertisement is likely to obscure existing advertisements; (iv) the number, type and location of advertisements on adjoining structures; (v) the number and placement of existing advertisements and the proposed advertisement on the site or building;

Type of advertisement	Criteria
(g) advertisements in the city centre, sub regional centre, district centre, local centre and city port planning area	(i) the extent to which the advertisement would limit the impact of an existing advertisement in the immediate vicinity; (ii) the size of buildings or adjoining structures in the vicinity of the advertisement; (iii) whether the advertisement will face a residentially zoned property; (iv) the number of site frontages; (v) the extent to which signage is incorporated into the site's design, or architecture of the building such that signage compliments the site, or structure's design and does not detract from the amenity of the area; (vi) the number of advertisers the advertisement is intended to promote; (vii) the site's proximity to residential or tourist accommodation areas or uses; (viii) the effect of the advertisement on the safety and security of the premises and public areas.
(h) advertisements in the industrial or commercial planning area	(i) freestanding advertisement— (A) the length of the site frontage; (B) the height of surrounding buildings and structures; (C) the number and location of other advertisements on the site and in the vicinity; (D) the number of advertisers the advertisement is intended to promote; (E) the provision of landscaping around the advertisement. (ii) roof advertisement— (A) whether the advertisement is flush with the building. (iii) the size of the building or site on which the advertisement is to be exhibited, or adjoining structures; (iv) the need for the advertisement to achieve the intended visibility.

Type of advertisement	Criteria
(i) advertisements in rural 1, rural 2, low density residential, residential 1, residential 2, residential 3 or tourist and residential planning area—	(i) the size of the building or site on which the advertisement is to be exhibited and adjoining structures; (ii) the extent to which the advertisement is proposed to be incorporated into the architecture of the building design or design of the site in such a way as to minimise the impact of the advertisement on surrounding properties.

5 Conditions that must be imposed on approvals

Nil

6 Conditions that will ordinarily be imposed on approvals

The following conditions are the conditions that will ordinarily be imposed on an approval where applicable, in the opinion of an authorised person—

Location	Conditions
(1) all areas	(a) freestanding advertisement— (i) the advertisement must not overhang a road reserve or footpath. (b) portable advertisements— (i) for advertisements exhibited on a footpath the advertisement area must not exceed 0.54m²; (ii) for advertisements exhibited in locations other than on a footpath the advertisement area must not exceed 1m²; (iii) the number of advertisements are limited to one advertisement per business; (c) projecting advertisement— (i) where the advertisement is erected over a footpath there must be a minimum clearance of at least 2.5 metres between the lowest part of the advertisement and the roadway below; (d) temporary advertisements— (i) the advertisement must be affixed to structures that will accommodate wind loadings; (ii) the advertisement must not obstruct approved or permitted advertisements on adjoining properties or the vision of pedestrians or motorists; (iii) the advertisement must not be affixed to trees, lighting standards or power poles; (iv) bunting must not be placed above 6m height from the ground level of the site; (v) all inflatable parts of the advertisement are to be inflated by a non-flammable and non-toxic gas; (vi) a public risk policy to the value as determined by local government from time to time, shall be taken out by the applicant for a temporary balloon advertisement, against any claims for damages or injury to any person or thing caused by the flying of the balloon; (vii) flags displaying company logos or products shall be limited to the height specified for freestanding advertisements;

Location	Conditions
(1) all areas <i>continued...</i>	(e) wall or fascia advertisements— (i) the advertisement must display the street number of the premises. (f) banner advertisements— (i) the advertisement may only be displayed for a temporary period.
(2) city centre, sub regional centre, district centre, local centre and city port planning area	(a) over awning advertisements—the advertisement area must not exceed 1.5m ² .
(3) industrial or commercial planning area	(a) bunting— (i) the advertisement may only be displayed for a temporary period; (ii) the advertisement must not be hung under awnings which overhang a footpath or roadway. (b) freestanding advertisements— (i) the number of advertisements are limited to one advertisement per site; (ii) the advertisement must not exceed 8m in height if promoting a single business; (iii) the advertisement must not exceed 10m in height if promoting multiple businesses; (iv) the width of advertisement must not exceed 2.5m; (v) the advertisement must not overhang a roadway or footpath. (c) over awning advertisements— (i) the number of advertisements are limited to one advertisement per business; (ii) the advertisement may only be displayed by businesses with street frontage; (iii) the advertisement may be illuminated but must not be an animated or moving advertisement; (iv) the advertisement area must not exceed 3m ² .

(3) industrial or commercial planning area <i>continued...</i>	(d) projecting advertisements— (i) the number of advertisements are limited to one advertisement per business; (ii) the advertisement may only be displayed by businesses with street frontage; (iii) the advertisement must not be an animated or moving advertisement; (iv) the advertisement must not project beyond the edge of the awning, verandah or canopy; (v) the advertisement area must not exceed 1.5m² if erected under an awning, verandah or canopy; (vi) the advertisement must not project above the parapet of the building. (e) under awning advertisements— (i) the advertisement area must not exceed 2.5m²; (ii) the advertisement must not project beyond the outer edge of an awning; (iii) the number of advertisements are limited to one advertisement per business; (iv) the advertisement may only be displayed by businesses with street frontage; (v) the advertisement must not be an animated or moving advertisement. (f) wall advertisements— (i) the advertisement must only be erected or installed at the ground floor level of a building; (ii) the advertisement is not to be orientated towards residential houses or entrances to residential streets.
--	--

Location	Conditions
(4) land within rural 1, rural 2, low density residential, residential 1, residential 2, residential 3 or tourist and residential planning area	(a) projecting advertisements— (i) the advertisement must not project beyond the outer edge of an awning, veranda or canopy; (ii) the advertisement must not extend above the parapet of the building; (iii) the advertisement must be erected at ground floor level and must not exceed 3.5m above ground level; (iv) the number of advertisements are limited to one advertisement per business; (v) the advertisement may only be displayed by businesses with street frontage (vi) the advertisement must not be an animated or moving advertisement. (b) under awning advertisements— (i) the advertisement area must not exceed 2.5m²; (ii) the advertisement must not project beyond the outer edge of an awning; (iii) the number of advertisements are limited to one advertisement per business; (iv) the advertisement may only be displayed by business with street frontage; (v) the advertisement must not be an animated or moving advertisement. (c) freestanding advertisements— (i) the height of the advertisement must not exceed 4m; (ii) for motels, holiday apartments and the like must not exceed a height of 6m.

7 Term of approval

The term of approval is the period stated on the approval.

8 Term of renewal of approval

The term of any renewal is the same term as the original approval subject to compliance with all conditions stated on the approval.

Schedule 11 - Keeping of animals

Section 11

1 Prescribed activity

Keeping of animals

2 Activities that do not require approval under the authorising local law

Any native, non-domestic animal for which an approval is required under other Queensland or Commonwealth legislation.

3 Documents and materials that must accompany applications for approval

The following documents and materials must accompany an application for an approval—

- (a) application form;
- (b) application fee (as determined within Council's Schedule of Fees and Charges); and
- (c) documents, information and materials identified within the relevant approved application form.

4 Additional criteria for the granting of approval

The following criteria are criteria that must be considered for the granting of approval—

- (a) whether in the opinion of an authorised person—
 - (i) the land is physically suitable for the keeping of the animal;
 - (ii) the enclosure in which the animal is to be kept is of a suitable standard;
 - (iii) there is a likelihood of the animal causing nuisance, inconvenience, or annoyance to the occupiers of adjoining land;
 - (iv) there is likelihood that there will be an effect on the local environment and a potential for pollution;
 - (v) there is a likelihood that there will be any other environmental damage;
 - (vi) in the case of dogs—if it is appropriate to grant an approval for the dogs to breed;
 - (vii) the number of animals permitted.

5 Conditions that must be imposed on approvals

The following conditions are conditions that must be imposed on approvals—

(a) The approval holder must—

- (i) care for the animal in accordance with appropriate and reasonable standards; and
- (ii) keep the animal in enclosures that comply with reasonable standards; and
- (iii) comply with reasonable standards of hygiene; and
- (iv) ensure that the animal wears or displays an appropriate identifying tag; and
- (v) ensure that the animal does not cause nuisance, inconvenience or annoyance to others; and
- (iii) take specified action to protect against possible harm to the local environment; and
- (iv) comply with all reasonable directions of an authorised person in the time specified by the authorised person.

6 Conditions that will ordinarily be imposed on approvals

The following conditions are conditions that will ordinarily be imposed on approvals where applicable in the opinion of an authorised person—

(a) for the breeding of dogs—

- (i) a maximum of two (2) adult dogs to be kept at the approved location; and
- (ii) be appropriately vaccinated and receive worm treatment; and
- (iii) approvals to be renewed on the 1st day of July each year.

7 Term of approval

The term of approval is the period stated on the approval.

8 Term of renewal of approval

The term of any renewal of an approval is the same term as the original approval subject to compliance with all conditions stated on the approval, or such lesser term as stated on the renewal.

Schedule 12 - Operation of camping grounds

Section 11

1 Prescribed activity

Operation of camping grounds

2 Activities that do not require approval under the authorising local law

Nil

3 Documents and materials that must accompany applications for approval

The following documents and materials must accompany an application for an approval—

- (a) application form;
- (b) application fee (as determined within Council's Schedule of Fees and Charges); and
- (c) documents, information and materials identified within the relevant approved application form.

4 Additional criteria for the granting of approval

The following criteria are criteria that must be considered for the granting of approval—

- (a) whether in the opinion of an authorised person the application is consistent with the provisions of local government's planning scheme and any development approval issued for the site.

5 Conditions that must be imposed on approvals

The following conditions are conditions that must be imposed on approvals—

- (a) ensure that the maximum number people accommodated at the camping ground does not exceed the limit specified on any development approval; and
- (b) maintain all facilities in the camping ground to a good standard of hygiene and safety to the satisfaction of an authorised person; and
- (c) provide and maintain a current site plan; and
- (d) provide and maintain an adequate supply of water to the camping ground; and
- (e) supply potable water for drinking and cooking; and
- (f) ensure every outlet within the camping ground that receives non-potable water displays a permanent, prominent and legible sign "UNSUITABLE FOR DRINKING"; and

- (g) provide appropriate facilities for collection, storage and disposal of waste to the satisfaction of an authorised person; and
- (h) not locate or permit an accommodation to be located at any place within the camping ground other than on a site approved by the local government; and
- (i) at all times keep the camping ground, its buildings, sanitary conveniences and other facilities in a clean, sanitary and safe conditions to the satisfaction of an authorised person; and
- (j) unless an accommodation is fitted with a sanitary convenience, as a minimum standard provide for the exclusive use of the occupants separate sanitary conveniences for each sex in accordance with the table below; and

Table A

No. of Sites	No. of water closets and pans for females	No. of water closets and pans for males	Length of urinals for males
Up to 40	1 for every 7 sites or part thereof	1 for every 10 sites or part thereof	0.6m for every 20 sites or part thereof
Over 40	6 plus an additional 1 for every 15 sites or part thereof in excess of 40 sites	4 plus an additional 1 for every 15 sites or part thereof in excess of 40 sites	0.6m for every 20 sites or part thereof

- (k) in any case where 10 or more water closet fixtures are provided, ensure that at least 1 such water closet fixture and its compartment or cubicle is constructed, equipped and provided with access in accordance with AS1428, Code of Practice for Design Rules for Access by the Disabled; and
- (l) ensure all sanitary conveniences are constructed so as to ensure privacy to the satisfaction of an authorised person; and
- (m) unless an accommodation is fitted with ablutionary facilities, provide for the exclusive use of the occupants separate ablutionary facilities as per Table A above; and
- (n) ensure a shower or bath is installed:
 - (i) with separate drainage points for the discharge of water into the drainage system; and
 - (ii) in a separate compartment or cubicle which is constructed so as to ensure privacy to the satisfaction of an authorised person; and
- (o) provide for the exclusive use of the occupants, laundry facilities in the ratio of 1 laundry tub and 1 clothes washing machine and 1 clothes hoist, or suitable length of clothes line, for every 20 sites or part thereof; and
- (p) provide sewerage or a drainage system in conformity with the requirements of the local government for the carrying off and disposal of all wastes from every water closet fixture, urinal, ablutionary facility, laundry facility and camp; and
- (q) a notice advising of the conditions must be displayed at each public entrance to the camping ground to which the conditions apply; and

- (r) provide an on-site manager, available at all times the camping ground is operating, and have provision for emergency contact; and
- (s) keep an up-to-date register of all persons accommodated at the camping ground. Such register must have the occupants forwarding contact details as well as name, address and site number; and
- (t) comply with all requirements contained within the current fire safety report from Queensland Fire and Rescue Services.

6 Conditions that will ordinarily be imposed on approvals

The following conditions are conditions that will ordinarily be imposed on approvals where applicable, in the opinion of an authorised person—

- (a) maintain to the satisfaction of an authorised person buffer zones between accommodation sites and roads, external boundaries, or facilities on the camping ground; and
- (b) provide overhead and internal lighting in the camping ground to the satisfaction of an authorised person for specified hours; and
- (c) require the operator to maintain the site in such a manner and to the satisfaction of an authorised person so as not to inhibit the access, egress and transit through the camping ground of the emergency services and their vehicles, having regard to the minimum turning circles and height clearances of overhead structures.

7 Term of approval

The term of approval is the period stated on the approval.

8 Term of renewal of approval

The term of any renewal is the same term as the original approval subject to compliance with all conditions stated on the approval.

Schedule 13 - Operation of cane railways

Section 11

1 Prescribed activity

Operation of cane railways

2 Activities that do not require approval under the Authorising local law

Nil

3 Documents and materials that must accompany applications for approval

The following documents and materials must accompany an application for an approval—

- (a) application form;
- (b) application fee (as determined within Council's Schedule of Fees and Charges); and
- (c) documents, information and materials identified within the relevant approved application form.

4 Additional criteria for the granting of approval

The following criteria are criteria that must be considered for the granting of approval—

- (a) The cane railway must be able in the opinion of an authorised person to be—
 - (i) constructed and operated so as not to cause any inconvenience, hindrance or damage to any person using the roads or bridges upon over or under which such cane railway is constructed; and
 - (ii) constructed so as not to damage such roads or bridges; and
 - (iii) operated and adequately guarded so as protect the safety of any vehicle or pedestrian traffic.

5 Conditions that must be imposed on approvals

The following conditions are conditions that must be imposed on approvals—

- (a) The approval must include—
 - (i) the standards and method of construction including best practices for stormwater, erosion and sediment control during construction and operation; and
 - (ii) requirements for safety precautions, signs, warning devices and guard rails; and

- (iii) the standards and methods of operation of any cane railway; and
 - (iv) the standards and methods of maintenance of any cane railway; and
 - (v) requirements for the construction of any grids; and
 - (vi) drainage works; and
 - (vii) speed of operation; and
 - (viii) weight and nature of cane railway; and
 - (ix) maintenance of and repairs to roads or bridges adjoining or in the vicinity of the cane railway; and
 - (x) access for trucks; and
- (b) The approval holder, its contractors or agents are required to—
- (i) take out public liability insurance in an amount nominated by the local government and to name local government as an interested party on the policy; and
 - (ii) indemnify the local government and any other person who has an interest in or takes a benefit from the cane railway against claims for person injury (including death) and damage to property (including economic loss) arising by, through or in connection with the construction, operation or maintenance of the cane railway; and
 - (iii) comply with all reasonable directions of an authorised person within the time specified by the authorised person.

6 Conditions that will ordinarily be imposed on approvals

As determined by an authorised person.

7 Term of approval

The term of approval is the period stated on the approval.

8 Term of renewal of approval

The term of any renewal is the same term as the original approval subject to compliance with all conditions stated on the approval.

Schedule 14 - Operation of caravan parks

Section 11

1 Prescribed activity

Operation of caravan parks

2 Activities that do not require approval under the authorising local law

Nil

3 Documents and materials that must accompany applications for approval

The following documents and materials must accompany an application for an approval—

- (a) application form;
- (b) application fee (as determined within Council's Schedule of Fees and Charges); and
- (c) documents, information and materials identified within the relevant approved application form.

4 Additional criteria for the granting of approval

The following criteria are criteria that must be considered for the granting of approval, in the opinion of an authorised person, is required for the granting of approval—

- (a) whether in the opinion of an authorised person the application is consistent with the provisions of local government's planning scheme and any development approval issued for the site.

5 Conditions that must be imposed on approvals

The following conditions are conditions that must be imposed on an approval—

- (a) ensure that the maximum number people accommodated at the caravan park does not exceed the limit specified on the approval; and
- (b) maintain all facilities in the caravan park to a good standard of hygiene and safety to the satisfaction of an authorised person; and
- (c) provide and maintain a current site plan; and
- (d) provide and maintain an adequate supply of water to the caravan park; and
- (e) supply potable water that is used for drinking, cooking, cleaning and personal hygiene; and
- (f) ensure every outlet within the caravan park that receives non-potable water displays a permanent, prominent and legible sign "UNSUITABLE FOR DRINKING"; and

- (g) provide appropriate facilities for collection, storage and disposal of waste to the satisfaction of an authorised person; and
- (h) not locate or permit accommodation at any place within the caravan park other than on a site approved by the local government; and
- (i) at all times keep the caravan park, its buildings, sanitary conveniences and other facilities in a clean, sanitary and safe conditions to the satisfaction of an authorised person; and
- (j) unless an accommodation is fitted with a sanitary convenience, as a minimum standard provide for the exclusive use of the occupants separate sanitary conveniences for each sex in accordance with the table below; and

Table A

No. of Sites	No. of water closets and pans for females	No. of water closets and pans for males	Length of urinals for males
Up to 40	1 for every 7 sites or part thereof	1 for every 10 sites or part thereof	0.6m for every 20 sites or part thereof
Over 40	6 plus an additional 1 for every 15 sites or part thereof in excess of 40 sites	4 plus an additional 1 for every 15 sites or part thereof in excess of 40 sites	0.6m for every 20 sites or part thereof

- (k) in any case where 10 or more water closet fixtures are provided, ensure that at least 1 such water closet fixture and its compartment or cubicle is constructed, equipped and provided with access in accordance with AS1428, Code of Practice for Design Rules for Access by the Disabled; and
- (l) ensure all sanitary conveniences are constructed to ensure privacy to the satisfaction of an authorised person; and
- (m) unless an accommodation is fitted with ablutionary facilities, provide for the exclusive use of the occupants separate ablutionary facilities, as per Table A above; and
- (n) ensure a shower or bath facilities is installed—
 - (i) with separate drainage points for the discharge of water into the drainage system; and
 - (ii) in a separate compartment or cubicle which is constructed to ensure privacy to the satisfaction of an authorised person; and
- (o) provide for the exclusive use of the occupants, laundry facilities in the ratio of 1 laundry tub and 1 clothes washing machine and 1 clothes hoist, or an equivalent length of clothes line, for every 20 sites or part thereof; and
- (p) provide sewerage or a drainage system in conformity with the requirements of the local government for the carrying off and disposal of all wastes from every water closet fixture, urinal, ablutionary facility, laundry facility and site; and

- (q) provide, at a distance not more than 10m from any site, a waste water disposal point which is—
 - (i) provided with a water stand pipe; and
 - (ii) provided with an impervious paved area measuring not less than 1m x 1m and graded to a central drainage inlet which is connected to sewerage or drainage system; and
- (r) a notice advising of the conditions must be displayed at each public entrance to the caravan park to which the conditions apply; and
- (s) provide an on-site manager, available at all times the caravan park is operating, and have provision for emergency contact; and
- (t) keep an up-to-date register of all persons accommodated at the caravan park. Such register must have the occupants forwarding contact details as well as name, address and site number; and
- (u) ensure all sites are clearly numbered; and
- (v) provide ground anchor points designed to withstand wind loads in accordance with Structural design actions, Part 2 Wind Actions (AS/NZS 1170:2:2002) to enable tie-down of caravans, mobile homes, temporary buildings or any other accommodation; and
- (w) comply with all requirements contained within the current fire safety report from Queensland Fire and Rescue Services.

6 Conditions that will ordinarily be imposed on approvals

The following conditions are conditions that will ordinarily be imposed on an approval where applicable, in the opinion of an authorised person—

- (a) maintain to the satisfaction of an authorised person buffer zones between accommodation sites and roads, external boundaries, or facilities on the caravan park; and
- (b) provide overhead and internal lighting in the caravan park to the satisfaction of an authorised person for specified hours; and
- (c) require the operator to maintain the site in such a manner and to the satisfaction of an authorised person so as not to inhibit the access, egress and transit through the caravan park of the emergency services and their vehicles, having regard to the minimum turning circles and height clearances of overhead structures.; and
- (d) where bedding is supplied—
 - (i) keep bedding clean and in a sanitary condition; and
 - (ii) change and replace with clean bed linen whenever there is a change of occupation of the relevant accommodation site;
- (e) such other conditions as are considered appropriate by an authorised person.

7 Term of approval

The term of approval is the period stated on the approval.

8 Term of renewal of approval

The term of any renewal is the same term as the original approval subject to compliance with all conditions stated on the approval.

Schedule 15 - Operation of cemeteries

Section 11

1 Prescribed activity

Operation of cemeteries

2 Activities that do not require approval under the Authorising local law

Nil

3 Documents and materials that must accompany applications for approval

The following documents and materials must accompany an application for an approval—

- (a) application form;
- (b) application fee (as determined within Council's Schedule of Fees and Charges); and
- (c) documents, information and materials identified within the relevant approved application form.

4 Additional criteria for the granting of approval

The following criteria are criteria that must be considered for the granting of approval—

- (a) whether in the opinion of an authorised person the application is consistent with the provisions of local government's planning scheme and any development approval issued for the site; and
- (b) any other criteria prescribed under relevant legislation or local laws.

5 Conditions that must be imposed on approvals

The following conditions are conditions that must be imposed on an approval—

- (a) The approval holder, its contractors or agents are required to—
 - (i) keep a publicly available register containing the following information about burials and cremations at the cemetery—
 - (A) full name of deceased; and
 - (B) sex of deceased; and
 - (C) date of death; and
 - (D) age at time of death
 - (E) cause of death; and
 - (F) date of burial or cremation; and
 - (G) location of burial site—grave number; and
 - (H) last known address; and
 - (I) next of kin; and
 - (ii) comply with the local government's policies about matters such as the exhumation or disturbance of human remains; and
 - (iii) maintain the memorials and other buildings and structures in the cemetery to the satisfaction of an authorised person.
- (b) The approval must state—
 - (i) the hours when the cemetery may be open to the public; and
 - (ii) the hours when burials and cremations may be conducted in the cemetery; and
 - (iii) the size and position of grave sites; and
 - (iv) minimum periods of leases of grave sites.

6 Conditions that will ordinarily be imposed on approvals

As determined by an authorised person.

7 Term of approval

The term of approval is the period stated on the approval.

8 Term of renewal of approval

The term of any renewal is the same term as the original approval subject to compliance with all conditions stated on the approval.

Schedule 16 - Operation of public swimming pools

Section 11

1 Prescribed activity

Operation of public swimming pools

2 Activities that do not require approval under the authorising local law

Nil

3 Documents and materials that must accompany applications for approval

The following documents and materials must accompany an application for an approval—

- (a) application form;
- (b) application fee (as determined within Council's Schedule of Fees and Charges); and
- (c) documents, information and materials identified within the relevant approved application form.

4 Additional criteria for the granting of approval

The following criteria are criteria that must be considered for the granting of approval—

- (a) equipment for chlorination, filtration and recirculation of swimming pool water is adequate to protect public health; and
- (b) maintenance, management and supervision of the swimming pool will be adequate to protect public health and safety and prevent nuisance;
- (c) consistency with the development approval.

5 Conditions that must be imposed on approvals

The following conditions are conditions that must be imposed on an approval—

- (a) The approval holder, its contractors or agents are required to—
 - (i) provide appropriate equipment for—
 - (A) emergency medical treatment and first aid; and
 - (B) rescue of persons in difficulty.
 - (ii) erect and display of notices providing information about basic life saving, resuscitation and first aid techniques; and warning about possible danger; and
 - (iii) ensure that biological contaminants are kept within acceptable levels by means of regular testing; and

- (iv) keep appropriate records as required by an authorised person of all testing and have it readily available for Council officers to view upon inspection; and
- (v) install special equipment for filtering, purifying and recirculating the water to the satisfaction of an authorised person; and
- (vi) advise the local government in writing of any intention to empty a swimming pool, unless instruction has been received from the local government to do so; and
- (vii) allow an authorised person access to the premises stated in the approval at any reasonable time to inspect a swimming pool and associated equipment; and
- (viii) allow an authorised person to take samples of water from a swimming pool and have them analysed.

6 Conditions that will ordinarily be imposed on approvals

The following conditions are the conditions that will ordinarily be imposed on an approval where applicable, in the opinion of an authorised person—

(a) The approval holder, its contractors or agents are required to—

- (i) provide attendance and supervision at the swimming pool at all times, or at specified times by a person with appropriate qualifications and experience; and
- (ii) provide dressing rooms and facilities for showering and sanitation; and
- (iii) comply with the Queensland health Swimming and Spa Pool Water Quality Guidelines 2004 minimum chemical criteria to minimise the public health risks to bathers to acceptable level; and
- (iv) carry out tests at a frequency as determined by the local authority

7 Term of approval

The term of approval is the period stated on the approval.

8 Term of renewal of approval

The term of any renewal is the same term as the original approval subject to compliance with all conditions stated on the approval.

Schedule 17 - Operation of shared facility accommodation

Section 11

1 Prescribed activity

Operation of shared facility accommodation.

—*Example: hostel*

2 Activities that do not require approval under the authorising local law

Nil

3 Documents and materials that must accompany applications for approval

The following documents and materials must accompany an application for an approval—

- (a) application form;
- (b) application fee (as determined within Council's Schedule of Fees and Charges); and
- (c) documents, information and materials identified within the relevant approved application form.

4 Additional criteria for the granting of approval

The following criteria are criteria that must be considered for the granting of approval—

- (a) whether the approval includes a pest management plan, incorporating the—
 - (i) prevention of introduction of pests; and
 - (ii) maintenance required to prevent harbourage of pests; and
 - (iii) procedures to monitor the detection of the presence of pests; and
 - (iv) intervention strategies when pests are detected; and
 - (v) record keeping pertaining to the plan; and
- (b) whether the premises will be suitable and convenient for operation as accommodation premises and will provide a proper standard of hygiene, safety and comfort in the opinion of an authorised person.

5 Conditions that must be imposed on approvals

The following conditions are conditions that must be imposed on approvals—

- (a) the approval holder and operator must—
 - (i) ensure that the accommodation premises is kept in a clean and sanitary condition to the satisfaction of an authorised person; and
 - (ii) ensure that the accommodation premises is maintained in a good state of repair and working order to the satisfaction of an authorised person; and
 - (iii) ensure that all fixtures, equipment, fittings and furniture is kept in a good state of repair and working order to the satisfaction of an authorised person; and
 - (iv) reside, or delegate an approved representative to reside, on the land at all times; and
 - (v) keep a register which includes the following details—
 - (A) the name and address of each occupant; and
 - (B) the date of each occupant's arrival at and departure from the accommodation premises; and
 - (C) the number of the bedroom and bed allocated to each occupants; and
 - (vi) keep a record of all fire safety management plans, and
 - (vii) keep a record of pest control, and
 - (viii) keep appropriate records for any swimming pool as required by and to the satisfaction of an authorised person; and
 - (ix) keep an up-to-date site plan that identifies all rooms, bed allocation and communal facilities; and
 - (ix) ensure that all records and site plans are maintained and made available for perusal by an authorised person on request, and kept at the office at all times while the office is open in a fireproof safe located at the accommodation premises when the office is not open and saved and backed up electronically off site; and
 - (x) not make any changes or alterations to the accommodation premises without prior approval by local government with such application for approval to be submitted in writing; and
 - (xi) establish and maintain a clearly designated office; and
 - (xii) ensure that occupants can contact emergency services at all times; and

- (xiv) provide shared or communal areas and facilities and maintain such areas and facilities in a good condition to the satisfaction of an authorised person; and
- (xv) provide a set of clean sheets or clean sheet sleeping envelopes to each occupant on arrival at the accommodation premises; and
- (xvi) ensure all light fittings and other ceiling and wall projections (including ceiling and wall fans) are provided with safety guards or positioned so as not to be a danger to any occupants of a bedroom in the accommodation premises to the satisfaction of an authorised person; and
- (xvii) ensure all rooms are clearly numbered.

6 Conditions that will ordinarily be imposed on approvals

The following conditions are conditions that will ordinarily be imposed on an approval where applicable, in the opinion of an authorised person—

(a) The approval holder may be required to—

- (i) provide kitchen, clothes washing, clothes drying, bathroom, rooms, shower and toilet facilities and maintain such facilities in a good condition to the satisfaction of an authorised person; and
- (ii) provide furniture, fittings, equipment and chattels and maintain such items in a good condition to the satisfaction of an authorised person; and
- (iii) ensure that no cooking or facilities for cooking are allowed in any bedroom of the accommodation premises; and
- (iv) ensure that sleeping bags are not used to sleep on any bed in the accommodation premises; and
- (v) provide a secure, lockable storage area for the purpose of storing occupants' packs and luggage; and
- (vi) ensure that in any bunk, the distance between the surface of –
 - (A) the lower bed and the base of the upper bed is at least 87cm; and
 - (B) the upper bed and the ceiling is at least 100cm; and
- (vii) provide adequate under cover dining room seating for a minimum of 25% of the maximum potential number of occupants at the accommodation premises; and

Questioned whether these conditions impinge on DA conditions

- (viii) towels and bed linen supplied shall be replaced with clean towels and bed linen before a change of occupancy, or replaced every third day thereafter until occupancy has ceased; and
- (ix) provide the following kitchen facilities at the accommodation premises to enable occupants to prepare a substantial meal—
 - (A) one hand wash basin with hot and cold water delivered through a common outlet in each kitchen; and
 - (B) refrigerator space which is sufficient to meet the reasonable needs of the maximum potential number of occupants at the accommodation premises; and
 - (C) vermin proof dry food storage space which is sufficient to meet the reasonable needs of the maximum potential number of occupants at the accommodation premises; and
 - (D) washing up sinks or dishwashers which are sufficient to meet the reasonable needs of the maximum potential number of occupants at the accommodation premises.
- (b) The approval may state—
 - (i) the approved use of the rooms; and
 - (ii) the number of beds that may be placed and the number of persons who may sleep —
 - (A) in a specified room in the premises; or
 - (B) in the premises as a whole; and
- (c) such other conditions as are considered appropriate by an authorised person.

7 Term of approval

The term of approval is the period stated on the approval.

8 Term of renewal of approval

The term of any renewal is the same term as the original approval subject to compliance with all conditions stated on the approval.

Schedule 18 - Operation of temporary entertainment events

Section 11

1 Prescribed activity

Operation of temporary entertainment events

—*Example: concert held for visiting performing artist*

2 Activities that do not require approval under the Authorising local law

Nil

3 Documents and materials that must accompany applications for approval

The following documents and materials must accompany an application for an approval—

- (a) application form;
- (b) application fee (as determined within Council's Schedule of Fees and Charges); and
- (c) documents, information and materials identified within the relevant approved application form.

4 Additional criteria for the granting of approval

The following criteria are criteria that must be considered for the granting of approval—

- (a) whether in the opinion of an authorised person—
 - (i) the operation of the temporary entertainment venue does not unreasonably detract from the established amenity in the vicinity of the temporary entertainment venue; and
 - (ii) the premises are suitable and convenient for use as a temporary entertainment venue taking into account the type of activity proposed, the numbers of persons expected or likely to attend the premises, the location and appearance of the premises and the means of entry and exit for persons and, where applicable, vehicles; and
- (c) the premises comply with the environmental, health and safety standards; and
- (d) the use of the temporary entertainment venue complies with the local government's planning scheme.

5 Conditions that must be imposed on approvals

The following conditions are conditions that must be imposed on an approval—

- (a) The temporary entertainment venue must—
 - (i) not generate (or be likely to generate) noise, dust, excessive light or other adverse effects outside the temporary entertainment venue to any significant degree in the opinion of an authorised person (unless such matters may be effectively abated by control measures) to the satisfaction of an authorised person; and
 - (ii) provide a sufficient number of sanitary conveniences for both sexes to the satisfaction of an authorised person; and
 - (iii) be able to collect and dispose of any refuse generated during the operation and conduct of the activity; and
 - (iv) only operate on the dates and times specified on the approval; and
 - (v) provide safe pedestrian and vehicular access to and from the site to the satisfaction of an authorised person; and
 - (vi) provide appropriate access for emergency vehicles into the site at all times including access to the First Aid Station; and
 - (vii) the First Aid Station must be attended by a qualified First Aid Officer at all times during the event; and
 - (viii) ensure that adequate waste receptacles are placed around the venue to meet the reasonable needs of attendees to the satisfaction of an authorised person. Clean-up of waste must be carried out within 24 hours of the event.

6 Conditions that will ordinarily be imposed on approvals

The following conditions are conditions that will ordinarily be imposed on approvals where applicable, in the opinion of an authorised person—

- (a) The approval holder or operator of the temporary entertainment venue may be required to—
 - (i) conduct a letter drop to residents in the vicinity of the property pursuant to a map attached to the approval (500 metre radius or some other distance determined by an authorised person). The letter must detail the nature of the event, date, hours of operation and contact details of the event organiser;
 - (ii) collect and dispose of any refuse generated during the operation of the activity;

- (iii) ensure that food shall only be sold from licensed food premises and temporary food stalls are approved by local government's Public Health Unit.
- (iv) ensure that a sufficient number of security officers are present at all times during the event for crowd control purposes;
- (v) provide an adequate number of toilets to meet the reasonable needs of all attendees and staff to the satisfaction of an authorised person;
- (vi) ensure that all toilets are to be maintained in a sanitary state during the event to the satisfaction of an authorised person;
- (vii) ensure that pyrotechnics displays are carried out by an individual or corporation with the appropriate fireworks licence issued by the relevant statutory body or government department. A current public liability policy must also cover the approval holder, operator and local government in the sum determined by the local government;
- (viii) ensure that the stage, including lighting and sound towers, are erected by suitably qualified persons;
- (ix) ensure that all temporary electrical work is carried out in accordance with relevant Australian Standards or Industry Codes of Practice.

7 Term of approval

The term of approval is the period stated on the approval.

8 Term of renewal of approval

The term of any renewal is the same term as the original approval subject to compliance with all conditions stated on the approval.

Schedule 19 - Undertaking regulated activities regarding human remains - (a) disturbance of human remains buried outside a cemetery

Section 11

1 Prescribed activity

Undertaking regulated activities regarding human remains— (a) disturbance of human remains buried outside a cemetery.

2 Activities that do not require approval under the authorising local law

Nil

3 Documents and materials that must accompany applications for approval

The following documents and materials must accompany an application for an approval—

- (a) application form;
- (b) application fee (as determined within Council's Schedule of Fees and Charges); and
- (c) documents, information and materials identified within the relevant approved application form.

4 Additional criteria for the granting of approval

The following criteria are criteria that must be considered for the granting of an approval—

- (a) whether the human remains have been buried for not more than three (3) days or not less than twelve (12) months.

5 Conditions that must be imposed on approvals

The following conditions are conditions that must be imposed on approvals—

- (a) The disturbance of the human remains must only be carried out by a recognised undertaker.

6 Conditions that will ordinarily be imposed on approvals

The following conditions are conditions that will ordinarily be imposed on approvals where applicable in the opinion of an authorised person—

- (a) The local government may—
 - (i) require the approval holder, its contractors or agents to—
 - (A) give notice to the local government of the disturbance of human remains to enable an authorised person to enter the land and inspect the grave ; and
 - (B) remove all markers or means of identification on or around the grave if the human remains are removed from the grave and dispose of appropriately; and
 - (C) provide Council with confirmation of the disturbance of human remains within 14 days of the event; and
 - (ii) stipulate the day on which the disturbance of human remains may be performed; and
 - (iii) stipulate the hours between which the disturbance of human remains may be performed.

7 Term of approval

Not applicable

8 Term of renewal of approval

Not applicable

Schedule 20 - Undertaking regulated activities regarding human remains - (b) burial or disposal of human remains outside a cemetery

Section 11

1 Prescribed activity

Undertaking regulated activities regarding human remains— (b) burial or disposal of human remains outside a cemetery.

2 Activities that do not require approval under the authorising local law

Nil

3 Documents and materials that must accompany applications for approval

The following documents and materials must accompany an application for an approval—

- (a) application form;
- (b) application fee (as determined within Council's Schedule of Fees and Charges); and
- (c) documents, information and materials identified within the relevant approved application form.

4 Additional criteria for the granting of approval

The following criterion must be considered in deciding whether or not to grant an approval—

- (a) whether in the opinion of an authorised person there is a special family, personal or historical association between the deceased person and the place at which it is sought to bury the body of that person.

5 Conditions that must be imposed on approvals

The following conditions are conditions that must be imposed on an approval—

- (a) The approval holder, its contractors or agents are required to give notice to the local government of the preparation of the grave to enable an authorised person to enter the land and inspect the grave before the burial; and
- (b) The local government may—
 - (i) stipulate the day on which the burial may be performed; and
 - (ii) stipulate the hours between which the burial may be performed; and
 - (iii) regulate the manner of the preparation of the grave.

6 Conditions that will ordinarily be imposed on approvals

The following conditions are the conditions that will ordinarily be imposed on an approval where applicable, in the opinion of an authorised person—

- (a) The approval holder, its contractors or agents may be required to—
 - supply the Global Positioning System (G.P.S) coordinates of the grave to the local government, so that the details of the deceased person can be placed on the property record; and
- (b) The local government may require the approval holder, its contractors or agents to erect a marker or means of identification on or around the grave and stipulate the information required to be recorded on it.

7 Term of approval

Not applicable

8 Term of renewal of approval

Not applicable

Schedule 21 - Undertaking regulated activities regarding human remains - (c) disturbance of human remains in a local government cemetery

Section 11

1 Prescribed activity

Undertaking regulated activities regarding human remains—(c) disturbance of human remains in a local government cemetery

2 Activities that do not require approval under the authorising local law

Nil

3 Documents and materials that must accompany applications for approval

The following documents and materials must accompany an application for an approval—

- (a) application form;
- (b) application fee (as determined within Council's Schedule of Fees and Charges); and
- (c) documents, information and materials identified within the relevant approved application form.

4 Additional criteria for the granting of approval

The following criterion must be considered in deciding whether or not to grant an approval—

- (a) whether the human remains have been buried for not more than three (3) days or not less than twelve (12) months.

5 Conditions that must be imposed on approvals

The following conditions are the conditions that must be imposed on an approval—

- (a) The approval holder, its contractors or agents are required to—
 - (i) remove any monuments on the existing grave and dispose of appropriately in the opinion of an authorised person; and
 - (ii) ensure that the coffin, body, ashes or other remains disinterred are removed under the supervision and to the satisfaction of the local government; and
 - (iii) ensure that the grave is opened and closed by the local government; and
 - (iv) ensure that exhumation to be carried out by a recognised undertaker.

6 Conditions that will ordinarily be imposed on approvals

The following conditions are the conditions that will ordinarily be imposed on an approval where applicable, in the opinion of an authorised person—

- (a) The local government may—
 - (i) regulate the manner of preparation of the grave; and
 - (ii) stipulate the day on which the disturbance of human remains may be performed; and
 - (iii) stipulate the hours between which the disturbance of human remains may be performed.

7 Term of approval

Not applicable

8 Term of renewal of approval

Not applicable

Schedule 22 - Undertaking regulated activities on local government controlled areas and roads - (a) driving or leading of animals to cross a road

Section 11

1 Prescribed activity

Undertaking regulated activities on local government controlled areas and roads— (a) driving or leading of animals to cross a road

2 Activities that do not require approval under the authorising local law

The following activities do not require approval under the authorising local law—

- (a) leading of horses across a road by a member of a horse or pony club; or
- (b) where no more than two animals are being led by a single person; or
- (c) where the animals are being led or driven pursuant to an approval to operate a commercial recreation activity.

3 Documents and materials that must accompany applications for approval

The following documents and materials must accompany an application for an approval—

- (a) application form;
- (b) application fee (as determined within Council's Schedule of Fees and Charges); and
- (c) documents, information and materials identified within the relevant approved application form.

4 Additional criteria for the granting of approval

The following criterion must be considered in deciding whether or not to grant an approval—

- (a) whether in the opinion of an authorised person, the leading of animals would not unduly interfere with the proper use of the road or create a safety hazard for users of the road.

5 Conditions that must be imposed on approvals

The following conditions are the conditions that must be imposed on an approval—

- (a) restrict the times of day that animals may be led across the road;
- (b) restrict the number of animals that may be driven or led across the road;
- (c) require compliance with safety requirements specified by an authorised person;

- (d) require the approval holder to exhibit specified warning notices and to take other precautions specified by an authorised person for the safety of users of the road or area;

6 Conditions that will ordinarily be imposed on approvals

The following conditions are conditions that will ordinarily be imposed on approvals where applicable, in the opinion of an authorised person—

- (a) the approval holder, its contractors or agents may be required to give specified indemnities and to take out specified insurance.

7 Term of approval

The term of approval is the term stated in the approval.

8 Term of renewal of approval

Not applicable.

Schedule 23 - Undertaking regulated activities on local government controlled areas and road - (b) depositing of goods or materials

Section 11

1 Prescribed activity

Undertaking regulated activities on local government controlled areas and roads— (b) depositing of goods or materials

2 Activities that do not require approval under the authorising local law

Nil

3 Documents and materials that must accompany applications for approval

The following documents and materials must accompany an application for an approval—

- (a) application form;
- (b) application fee (as determined within Council's Schedule of Fees and Charges); and
- (c) documents, information and materials identified within the relevant approved application form.

4 Additional criteria for the granting of approval

The following criteria are the criteria that must be considered in deciding whether or not to grant an approval—

- (a) whether in the opinion of an authorised person the activity—
 - (i) significantly detracts from the capacity of the road to provide a vehicular and where relevant pedestrian thoroughfare; and
 - (ii) constitutes a nuisance or a danger to any person or property; and
 - (iii) obstructs access from the footway to kerbside parking; and
 - (iv) adversely effects the amenity of the area or the environment; and
 - (v) adversely affects the existing services located in, along, over or adjacent to a road.

5 Conditions that must be imposed on approvals

The following conditions are the conditions that must be imposed on an approval—

- (a) the location of such works or activity; and
- (b) hours of operation

- (c) The approval holder, its contactors or agents are required to—
- (i) ensure unobstructed movement of vehicles and pedestrians; and
 - (ii) take out public liability insurance in an amount nominated by the local government and to name local government as an interested party on the policy; and
 - (iii) indemnify the local government and any other person who has an interest in or takes a benefit from the work or activity against all claims and liability, including claims for personal injury (including death) and damage to property (including economic loss) arising directly or indirectly by, through or in connection with the works or activity; and
 - (iv) observe standards specified by the local government in the carrying out of the works or activity; and
 - (v) ensure safety of pedestrians and vehicles including but not limited to the safe temporary diversion of traffic, erection of warning lights and barricades to the satisfaction of an authorised person; and
 - (vi) specify a deadline for completion of the works or ceasing of the activity; and
 - (vii) reinstate the road to the satisfaction of an authorised person following completion of the works or ceasing of the activity.

6 Conditions that will ordinarily be imposed on approvals

The following conditions are the conditions that will ordinarily be imposed on an approval where applicable, in the opinion of an authorised person—

- (a) The approval holder, its contactors or agents may be required to—
- (i) lodge security for performance of any requirement under this local law or any condition of approval.

7 Term of approval

The term of approval is the period stated on the approval.

8 Term of renewal of approval

The term of any renewal is the same term as the original approval subject to compliance with all conditions stated on the approval.

Schedule 24 - Undertaking regulated activities on local government controlled areas and roads - (c) holding of a public place activity prescribed by subordinate local law

Section 11

1 Prescribed activity

Undertaking regulated activities on local government controlled areas and roads— (c) holding of a public place activity prescribed by subordinate local law, excluding the operation of a temporary entertainment event.

—Example: commercial filming/photography

2 Activities that do not require approval under the authorising local law

Nil

3 Documents and materials that must accompany applications for approval

The following documents and materials must accompany an application for an approval—

- (a) application form;
- (b) application fee (as determined within Council's Schedule of Fees and Charges); and
- (c) documents, information and materials identified within the relevant approved application form.

4 Additional criteria for the granting of approval

The following criteria are criteria that must be considered for the granting of an approval—

- (a) whether in the opinion of an authorised person—
 - (i) the activity will not unduly interfere with the usual use and enjoyment of the area or road; and
 - (ii) that the operation of the activity can be lawfully conducted on the site; and
 - (iii) the operation of the activity does not unreasonably detract from the established amenity in the vicinity of the temporary entertainment venue; and
 - (iv) the premises are suitable and convenient for use as a temporary entertainment venue taking into account the type of activity

proposed, the numbers of persons expected or likely to attend the premises, the location and appearance of the premises and the means of entry and exit for persons and, where applicable, vehicles; and

- (v) the activity complies with the environmental, health and safety standards; and
- (vi) the activity complies with the local government's planning scheme; and
- (vii) the activity will not generate significant noise, dust or light pollution or other significantly adverse effects on the surrounding neighbourhood.

5 Conditions that must be imposed on approvals

The following conditions will ordinarily be imposed on approvals where applicable, in the opinion of an authorised person—

- (a) any permits or approvals by any Government Department are to be obtained. Compliance with the conditions of the permit or approval that any Government Department may impose is mandatory; and
- (b) the local government is to be indemnified and kept indemnified in respect of any actions, suits, proceedings, costs, claims and demands brought or made by any person or persons, corporation or corporations, authority or authorities in respect of any accident, injury or damage in consequence of or arising out of the filming operation; and
- (c) evidence that insurance has been taken out to cover any claims which may arise from injury to persons or damage to property arising from or attributable to the filming operation will be necessary. The policy is to be kept current during the continuance of the filming operation and shall be endorsed to note that the local government is a joint insured. The minimum amount of public risk cover shall be as determined by an authorised person; and
- (d) all areas used are to be left in a clean and tidy condition; and
- (e) the amenity of residents is not to be disturbed or adversely impacted upon whether by noise or any other manner; and
- (f) at least seven (7) days before filming commences residents living adjacent to the filming locations are to be informed in writing by a letter drop of the approximate filming date and time and the nature and scale of proposed activities; and
- (g) filming on roads is to be carried out so as not to compromise road safety or unduly disrupt traffic. In all instances the necessary approvals are to be obtained from bodies such as Main Roads, Queensland Transport, Queensland Police.etc; and

- (h) the environment, its flora and fauna are not to be adversely impacted upon in any manner; and
- (i) use of vehicles, aircraft, vessels and non-filming equipment on foreshores, parks and reserves requires special local government approval; and
- (j) vegetation growing on such areas are not to be disturbed or damaged in any manner; and
- (k) the local government is to be kept fully informed in writing of any alterations to the filming schedule; and
- (l) an adequate number of portable chemical type toilets are to be provided and serviced for the use of the filming crew and extras should insufficient facilities be available onsite; and
- (m) the payment in advance of all fees which are to be assessed in accordance with the rates specified by local government (refer local government's current fees and charges); and
- (n) should the applicant fail to observe any of the conditions of the approval or cause damage which necessitates remedial or reinstatement works to be performed by the local government, the costs of the works undertaken are to be met by the applicant; and
- (o) the provisions of local government's local laws relating to Parks, Reserves and Foreshores are to be observed at all times; and
- (p) the permit or conditions of the permit may be altered, amended or revoked by the local government at any time and for any reason

6 Conditions that will ordinarily be imposed on approvals

As determined by an authorised person

7 Term of approval

The term of approval is the period stated on the approval.

8 Term of renewal of approval

Not applicable

Schedule 25 – Bringing or driving motor vehicles onto local government controlled areas

Section 11

1 Prescribed activity

Bringing a motor vehicle onto or driving a motor vehicle on a place that is—

- (a) within a local government controlled area; and
- (b) not within a motor vehicle access area.

(Local Law No.4 (Local Government Controlled Areas, Facilities and Roads) 2011, section 6(2)).

—Example: riding an unregistered motor bike on the Esplanade reserve

2 Activities that do not require approval under the authorising local law

Access to a local government controlled area by an authorised contractor for the purposes of repairing or maintaining a local government facility.

3 Documents and materials that must accompany applications for approval

The following documents and materials must accompany an application for an approval—

- (a) application form;
- (b) application fee (as determined within Council's Schedule of Fees and Charges); and
- (c) documents, information and materials identified within the relevant approved application form.

4 Additional criteria for the granting of approval

The following criteria are criteria that must be considered in deciding whether or not to grant an approval—

- (a) whether the vehicle access is required for—
 - (i) construction, repair and maintenance work within the local government controlled area;
 - (ii) access to a temporary entertainment venue for which the applicant has received approval under another local law;
 - (iii) the purposes of commercial use of the local government controlled area for which the applicant has received approval under another local law;
 - (iv) holding a celebration, ceremony or competition for which the applicant has received approval under another local law.

- (b) whether access by the vehicle will—
 - (i) unduly interfere with the usual use and enjoyment of the area;
 - (ii) impact on the natural resources and native wildlife of the area;
 - (iii) cause damage to the area;
 - (iv) generate significant noise or dust or other significantly adverse effects on the surrounding neighbourhood or other users of the area.

5 Conditions that must be imposed on approvals

The following conditions are the conditions that must be imposed on an approval—

- (a) the approval will be valid only for the dates specified in the approval; and
- (b) the approval will be valid only for the specific vehicle or type of vehicle specified in the approval; and
- (c) the approval is not transferable; and
- (d) the approval holder will strictly comply with any speed limits specified in the approval; and
- (e) the approval holder will comply with any restrictions specified in the approval regarding of the parts of the local government controlled area that may be accessed by vehicle and notwithstanding any contrary restrictions in the area; and
- (f) the approval must be displayed on the dashboard of the vehicle while it is within the local government controlled area; and
- (g) the approval holder must ensure the safety of other users of the local government controlled area arising from the carrying out of the approved activity; and
- (h) the approval holder must give at least 24 hours' notice of the vehicle access to affected neighbours of the area; and
- (i) the approval holder will be liable to pay to the local government the cost of rectifying any significant damage caused by the use of the vehicle in the area to the satisfaction of an authorised person.

6 Conditions that will ordinarily be imposed on approvals

As determined by an authorised person.

7 Term of approval

The term of approval is the period stated on the approval.

8 Term of renewal of approval

Not applicable

Schedule 26 – Bringing or driving prohibited vehicles onto motor vehicle access areas

Section 11

1 Prescribed activity

Bringing a prohibited vehicle onto or driving a prohibited vehicle on a specified motor vehicle access area (*Local Law No.4 (Local Government Controlled Areas, Facilities and Roads) 2011*, section 6(4)).

—Example: riding an unregistered motor bike on the Red Arrow walking track

2 Activities that do not require approval under the authorising local law

Nil

3 Documents and materials that must accompany applications for approval

The following documents and materials must accompany an application for an approval—

- (a) application form;
- (b) application fee (as determined within Council's Schedule of Fees and Charges); and
- (c) documents, information and materials identified within the relevant approved application form.

4 Additional criteria for the granting of approval

The following criteria are criteria that must be considered in deciding whether or not to grant an approval—

- (a) whether the vehicle access will—
 - (i) unduly interfere with the usual use and enjoyment of the area; and
 - (ii) cause damage to the area; and
 - (iii) generate significant noise or dust or other significantly adverse effects on the surrounding neighbourhood.

5 Conditions that must be imposed on approvals

The following conditions are conditions that must be imposed on an approval—

- (a) limit the parts of the area accessed and the hours of day when vehicle access is permitted;

- (b) require compliance with safety requirements specified by an authorised person;
- (c) require the operator to take specified measures to reduce adverse effects of the vehicle access on the users of the area or surrounding neighbourhood to acceptable levels in the opinion of an authorised person.

6 Conditions that will ordinarily be imposed on approvals

As determined by an authorised person.

7 Term of approval

The term of approval is the period stated on the approval

8 Term of renewal of approval

Not applicable

Schedule 27 - Use of bathing reserves for training, competitions etc

Section 11

1 Prescribed activity

To—

- (a) set apart a bathing reserve or a part of a bathing reserve for life-saving training on an exclusive basis; or
- (b) use any part of a bathing reserve for the conduct of a surfing competition, a life-saving competition or another aquatic activity. (*Local Law No.6 (Bathing Reserves)2011* section 10(1))

2 Activities that do not require approval under the authorising local law

Nil

3 Documents and materials that must accompany applications for approval

The following documents and materials must accompany an application for an approval—

- (a) application form;
- (b) application fee (as determined within Council's Schedule of Fees and Charges); and
- (c) documents, information and materials identified within the relevant approved application form.

4 Additional criteria for the granting of approval

The following criteria are criteria that must be considered in deciding whether or not to grant an approval—

- (a) whether in the opinion of an authorised person—
 - (i) the activity is appropriate in the bathing reserve; and
 - (ii) the facilities in the bathing reserve are adequate for the activity proposed in the application.

5 Conditions that must be imposed on approvals

The following conditions are the conditions that must be imposed on an approval—

- (a) prior to commencing the activity, the approval holder must—
 - (i) sign and return to local government a deed in a form prescribed by the local government indemnifying the local government in respect of any

loss, damage, actions, claims or demands which may be incurred by the local government directly or indirectly through the granting of this approval or carrying out of the approved activity; and

- (ii) take out and maintain a current public liability insurance policy in the joint names of the approval holder and the local government in the amount of \$10,000,000.00 per any one claim or such sum as determined by the local government from time to time and otherwise in a form satisfactory to the local government; and
 - (iii) ensure that the public liability insurance policy covers claims which may arise against the local government or the approval holder for personal injury and property damage resulting from the conduct of the activity; and that the policy is submitted to the local government for its prior consent.
- (b) where applicable a Certificate of Company Registration must be submitted to local government within 14 days from the date the approval is granted; and
 - (c) the activity must only be carried out in the location specified in the approval; and
 - (d) the approval does not provide the approval holder with any exclusive rights to undertake the activity at the approved sites; and
 - (e) the activity must only be conducted during the hours specified in the approval; and
 - (f) only approved equipment is to be used with the activity; and
 - (g) all reasonable and practicable steps are to be used to ensure that staff and customers access the approved activity area by the designated access and egress points; and
 - (h) the approval holder must comply with all reasonable directions given by the local government or an authorised person regarding the use of any roads, jetties, foreshores or other means of accessing the approved activity area.

6 Conditions that will ordinarily be imposed on approvals

As determined by an authorised person.

7 Term of approval

The term of approval is the period stated on the approval.

8 Term of renewal of approval

The term of any renewal is the same term as the original approval subject to compliance with all conditions stated on the approval.

Schedule 28 - Parking contrary to an indication on an official traffic sign regulating parking by time or payment of a fee

Section 11

1 Prescribed activity

Parking contrary to an indication on an official traffic sign regulating parking by time or payment of a fee (*Transport Operations (Road Use Management) Act 1995*, section 103(4)(a)(ii)).

2 Activities that do not require approval under the authorising local law

Nil

3 Documents and materials that must accompany applications for approval

The following documents and materials must accompany an application for an approval—

- (a) application form;
- (b) application fee (as determined within Council's Schedule of Fees and Charges); and
- (c) documents, information and materials identified within the relevant approved application form.

4 Additional criteria for the granting of approval

The following criteria are criteria that must be considered in deciding whether or not to grant an approval—

- (a) whether the approval
 - (i) is for a designated parking space where parking is restricted to permit parking;
 - (ii) is for a regulated parking area contrary to an indication by an official parking sign;
 - (iii) is needed because access to nearby premises is restricted or difficult;
 - (iv) relates to parking if building or construction work is being conducted or proposed at nearby premises;
 - (v) relates to parking that is needed for a special event, festival or public assembly.

5 Conditions that must be imposed on approvals

The following conditions are the conditions that must be imposed on an approval—

- (a) the holder of an approval or the owner of the vehicle must return the identification label to Council within three (3) days after the expiration or revocation of the approval; and
- (b) the approval holder must display the identification label prominently on the left hand side front of the vehicle affixed in close proximity to the vehicle registration label; and
- (c) the approval holder must take out public liability insurance in an amount nominated by the local government and name the local government as an interested party on the policy.

6 Conditions that will ordinarily be imposed on approvals

The following conditions are conditions that will ordinarily be imposed on an approval where applicable, in the opinion of an authorised person—

- (a) the vehicle specified in the approval is used within local government area wholly or substantially for business or commercial purposes;
- (b) the approval is valid within the local government area only ;
- (c) the local government may amend any condition of the approval subject to reasonable notification to the approval holder at any such time it is deemed necessary in the opinion of an authorised person;
- (d) Commercial vehicle approval—
 - (i) a vehicle displaying a commercial vehicle permit is able to park in a commercial loading zone for up to a maximum of 20 minutes unless otherwise stated. When not in a loading zone, a commercial vehicle must comply with all applicable parking requirements for the area
- (e) Parking bay approval—
 - (i) the approval holder is authorised to park only in the numbered bay to which they have been allocated;
 - (ii) the approval allows 24 hour, 7 days a week access to the parking bay;
 - (iii) cancellation of a reserved bay must be made in writing at least one month prior to cancellation. The identification label must be destroyed by the approval holder within three (3) days after the cancellation;
 - (iv) the approval may specify a designated area for the permit holder to park within.
- (f) Business parking approval—
 - (i) a vehicle displaying a business permit may park in a metered or pay and display or regulated bays within the local government area only;
 - (ii) parking in a loading zone, no standing zone, no stopping zone, no parking zone, bus zone, taxi zone, emergency vehicle zones or disabled bays is not permitted;

- (iii) business permit does not guarantee the availability of parking bays when a vehicle is moved out of a parking bays;
 - (iv) a vehicle displaying a business permit must not park adjacent or in close proximity to a business of a similar nature for no longer than a 30 minute period of any given day;
- (g) Residential parking approval—
 - (i) a vehicle displaying a residential permit may park in a metered or pay and display or regulated bays within the local government area only;
 - (ii) parking in a loading zone, no standing zone, no stopping zone, no parking zone, bus zone, taxi zone, emergency vehicle zones or disabled bays is not permitted;
 - (iii) residential permit will not guarantee the availability of parking bays when a vehicle is moved out of a parking bays.

7 Term of approval

The term of approval is the period stated on the approval.

8 Term of renewal of approval

The term of any renewal is the same term as the original approval subject to compliance with all conditions stated on the approval.

Schedule 29 - Parking in a loading zone by displaying a commercial vehicle identification label

Section 11

1 Prescribed activity

Parking in a loading zone by displaying a commercial vehicle identification label
(*Transport Operations (Road Use Management) Act 1995*, section 103(5))

2 Activities that do not require approval under the authorising local law

Nil

3 Documents and materials that must accompany applications for approval

The following documents and materials must accompany an application for an approval—

- (a) application form;
- (b) application fee (as determined within Council's Schedule of Fees and Charges); and
- (c) documents, information and materials identified within the relevant approved application form.

4 Additional criteria for the granting of approval

The following criteria are criteria that must be considered in deciding whether or not to grant an approval—

- (a) whether the approval is required for demonstrated business purposes.

5 Conditions that must be imposed on approvals

The following conditions are the conditions that must be imposed on an approval—

- (a) a vehicle displaying a commercial vehicle identification label may park in a commercial loading zone for the purpose of loading or unloading for up to a maximum of 20 minutes unless otherwise stated;
- (b) when not parking in a loading zone, a commercial vehicle must comply with all applicable parking requirements;
- (c) the vehicle identification label must be affixed securely to the inside of the windscreen so it is clearly visible to a person outside the vehicle;
- (d) the holder of a commercial vehicle approval must return the identification label to Council within three (3) days after expiration or revocation of the approval.

6 Conditions that will ordinarily be imposed on approvals

As determined by an authorised person.

7 Term of approval

The term of approval is the period stated on the approval.

8 Term of renewal of approval

The term of any renewal is the same term as the original approval subject to compliance with all conditions stated on the approval.

Schedule 30 - Carrying out works on a road or interfering with a road or its operation

Section 11

1 Prescribed activity

Carrying out works on a road or interfering with a road or its operation (Local Government Act 2009, section 75(2))

—Example: construction of kerb and channel or road works on a road associated with development activities

2 Activities that do not require approval under the authorising local law

Nil

3 Documents and materials that must accompany applications for approval

The following documents and materials must accompany an application for an approval—

- (a) application form;
- (b) application fee (as determined within Council's Schedule of Fees and Charges); and
- (c) documents, information and materials identified within the relevant approved application form.

4 Additional criteria for the granting of approval

As required by applicable Council General Policies.

5 Conditions that must be imposed on approvals

The following conditions are the conditions that must be imposed on an approval—

- (a) the works or activity must not in the opinion of an authorised person significantly detract from the capacity of the road to provide a vehicular and, where relevant, pedestrian thoroughfare; or
- (b) the works or activity must not in the opinion of an authorised person significantly cause a nuisance or danger to any person or property; or
- (c) the works or activity must not in the opinion of an authorised person significantly obstruct access from the footway to kerbside parking; and
- (d) the works or activity must not in the opinion of an authorised person adversely effect the amenity of the area or the environment; and
- (e) the works or activity must not in the opinion of an authorised person adversely effect existing services located in, on, over or adjacent to a road

6 Conditions that will ordinarily be imposed on approvals

The following conditions are the conditions that will ordinarily be imposed on an approval where applicable, in the opinion of an authorised person—

- (a) location of such works or activity;
- (b) measure to ensure unobstructed movement of vehicles and pedestrians;
- (c) hours of operation;
- (d) the requirement to take out public liability insurance in an amount nominated by the local government and to name local government as an interested party on the policy;
- (e) indemnification of the local government by the holder of the approval and any other person who has an interest in or takes a benefit from the work or activity against claims for personal injury (including death) and damage to property (including economic loss) arising directly or indirectly by, through or in connection with the works or activity;
- (f) lodgement of security for performance in amount determined by an authorised person;
- (g) specification of a deadline for completion of the works or ceasing of the activity;
- (h) standards to be observed in the carrying out of the works or activity;
- (i) reinstatement of the road to the satisfaction of an authorised person following completion of the works or ceasing of an activity;
- (j) requirements to ensure safety of pedestrians and vehicles including but not limited to the safe temporary diversion of traffic, erection of warning lights and barricades to the satisfaction of an authorised person.

7 Term of approval

The term of approval is the period stated on the approval.

8 Term of renewal of approval

The term of any renewal is the same term as the original approval subject to compliance with all conditions stated on the approval.

Schedule 31 - Dictionary

Act means an Act of the Queensland Parliament;

advertisement area means the total area of an advertisement;

ancillary advertisement means an advertisement which provides information about a business or commercial enterprise or industry conducted on-site; excluding uses otherwise defined. The information may include:

- (a) the use of the site (including the proposed future use of the land);
- (b) the use of a building on the land;
- (c) goods manufactured or offered for sale or hire on the land;
- (d) services offered on the land;
- (e) the name and address of the owner or occupier of the land;
- (f) where a number of persons are carrying on different businesses on the land, an advertisement identifying the place;
- (g) where an event or activity is to be conducted on the land, information about the event or activity.

animated or moving advertisement means an advertisement that has moving parts or which rotates or revolves. The term includes advertisements containing chasing or running bulbs, reader boards (electronic variable message) and similar features;

appropriate records means, as described in Appendix 6 - Records, QLD Health Swimming and Spa Water Quality and Operational Guidelines.

banner advertisement means any advertisement:

- (a) suspended from any structure, tree or pole;
- (b) with or without supporting frame work; and
- (c) displaying an advertisement applied to paper, plastic or similar material or fabric of any kind.

The term excludes symbolic flags of any institution or business;

bunting includes decorative flags, pennants and streamers;

construction advertisement means a temporary advertisement used to identify the name of a development or developer during the construction of a development.

distribute a business advertising publication—

- (a) includes make the business advertising publication available to other persons; but
- (b) does not include merely display of the business advertising publication.;

examples—

1. A person “distributes” a business advertising publication if the person hands the business advertising publication out to other

persons or leaves it at a place for other persons to take away, including posting the business advertising publication on a car windscreen;

2. *A person does not "distribute" a business advertising publication if the person attaches the business advertising publication onto walls and other structures, merely for display;*

estate entrance advertisement means an advertisement placed or erected at the entrance to an industrial or residential development, identifying the particular development;

estate sales office means any premises including a caravan or relocatable home on which a sign is exhibited for the promotion and/or sale of land within an industrial or residential development, where the use of such facilities shall not be more than two (2) years from the date of commencement, unless approved by Council;

fascia advertisement means an advertisement which is affixed to, posted or painted on a fascia of a building, such that the advertisement protrudes no more than 100mm from the surface to which it is attached;

freestanding advertisement means an advertisement which:

- (a) is erected on a pole or poles, or on a pylon structure ("a freestanding pole advertisement"); or
- (b) a solid, free standing structure, and does not form part of any building or other structure.

home activity advertisements means an advertisement associated with a lawful home activity limited to one advertisement per premises, not exceeding 0.3m² in size, and not illuminated.

home based business advertisements means an advertisement associated with a lawful home based business limited to one advertisement per premises, not exceeding 0.3m² in size, and not illuminated.

off-site advertisement means an advertisement, either freestanding or affixed to a building or structure, that is intended to promote goods, services, a business, commercial enterprise or industry not available or conducted on-site;

on-site advertisement means an advertisement, either freestanding or affixed to a building or structure, that is intended to promote goods, services, a business, commercial enterprise or industry that is available or conducted on-site;

over awning advertisement means an advertisement which is located on top of an awning, verandah or canopy with no part of the advertisement projecting above the roofline or beyond the awning, canopy or verandah edge;

planning area as defined by the Planning Scheme.

planning scheme means the Planning Schemes for the:

- (a) Cairns Plan gazetted 27 February 2009;
- (b) Douglas Shire Planning Scheme gazetted 14 March 2008;

political advertisement means a temporary advertisement exhibited for the purposes of an election;

portable advertisement means a freestanding moveable advertisement placed on the

footpath, road reserve or other public place. The term includes sandwich and spinning boards;

projecting advertisement means an advertisement attached to and protruding more than 100mm either vertically, or horizontally from a building or structure, but not attached to the roof of a building or structure;

public information advertisement means an advertisement erected or displayed to indicate the location of a public building, service or place of interest, and which carries no other information or advertisement;

public place activity means an activity as described in Schedule 6 where undertaken on or in a 'Public Place' as defined in Section 125(5) of the Act.

real estate advertisement means a temporary advertisement on-site, advising of the owner's intention to sell, lease, tender or auction the land and/or building;

temporary advertisement means an advertisement which, by its nature, is intended to be in place for only a limited amount of time, not exceeding three months. The term includes:

- (a) a political advertisement;
- (b) a real estate advertisement; or
- (c) an advertisement for the sale, lease, tender or auction of a product

temporary entertainment event means an event that is held temporarily – not on a regular basis - to provide entertainment to the public whether or not upon payment of a fee for admission and whether or not the management reserves the right to exclude individual members of the public....

touting means to publicise to another person either verbally or with a publication a business, commercial or trade activity, including by approaching that person and "touted" and "touting" have the corresponding meanings.

transom advertisement means an advertisement attached to the transom, horizontal beam, of a doorway in a building;

under awning advertisement means an advertisement which is attached to the underside of an awning, verandah, or canopy;

vehicle means any air cushion vehicle, articulated vehicle, bicycle, caravan trailer, commercial vehicle, motor car, motor cycle, motor omnibus, motor truck, motor utility, truck, motor vehicle, omnibus, side car, tractor, trailer, tricycle or vehicle as defined in section 9 of the *Traffic Act*;

wall advertisement means an advertisement which is affixed to, posted or painted on a wall surface of a building, such that the advertisement protrudes no more than 100mm from the wall to which it is attached. The term excludes fascia, or transom advertisements;

window advertisement means an advertisement which is attached to or displayed on the exterior or interior surface of a window. The term includes a device which is suspended from the window frame and may also be illuminated, and excludes product displays or showcases viewed by pedestrians.

Part 1 Preliminary

1 Short title

This subordinate local law may be cited as *Subordinate Local Law No. 2 (Animal Management) 2011*.

2 Purpose and how it is to be achieved

- (1) The purpose of this subordinate local law is to supplement *Local Law No. 2 (Animal Management) 2011*, which provides for regulation of the keeping and control of animals within the local government's area.
- (2) The purpose is to be achieved by providing for—
 - (a) the circumstances in which the keeping of animals is prohibited or requires approval; and
 - (b) requirements for keeping animals, including minimum standards, mandatory desexing, proper enclosures, koala conservation and identification; and
 - (c) the control of animals in public places; and
 - (d) matters regarding the impounding of animals and the sale or disposal of impounded animals; and
 - (e) the conditions to be complied with by persons who offer animals, or a particular species of animals, for sale; and
 - (f) the declaration of a species of animal as a declared dangerous animal and the criteria for declaration of a specific animal as a declared dangerous animal.

3 Authorising local law

The making of the provisions in this subordinate local law is authorised by *Local Law No. 2 (Animal Management) 2011* (the **authorising local law**).

4 Definitions

- (1) The dictionary in Schedule 1 defines particular words used in this subordinate local law.
- (2) Any words defined in the authorising local law have, for the purposes of this subordinate local law, the meaning given to them in the authorising local law.

Part 2 Keeping of animals

5 Circumstances in which keeping animals prohibited— authorising local law, s 5(1)

- (1) For section 5(1) of the authorising local law, keeping an animal or animals mentioned in column 1 of schedule 2 is prohibited in the circumstances described in column 2 of schedule 2.
- (2) The prohibition specified pursuant to subsection (1) does not apply to existing animals currently being kept on the specified allotments.

6 Circumstances in which keeping animals requires approval— authorising local law, s 6(1)

For section 6(1) of the authorising local law, keeping an animal or animals of the species or breed mentioned in column 1 of schedule 3 requires approval in the circumstances described in column 2 of schedule 3.

7 Minimum standards for keeping animals—authorising local law, s 8(1)

- (1) For section 8(1) of the authorising local law, the minimum standards for the keeping of all animals are set out in schedule 4.
- (2) For section 8(1) of the authorising local law, column 2 of schedule 5 sets out the additional minimum standards for keeping an animal of the species or breed mentioned in column 1 of schedule 5.

8 Identification for cats and dogs in certain circumstances – authorising local law, s9

For section 9 of the authorising local law, the identification required for a cat or dog that is at a place other than the address stated in the registration notice for the cat or dog is the registration device mentioned in section 12(3) of the *Animal Management (Cats and Dogs) Act 2008*.

Part 3 Control of animals

9 Public places where animals are prohibited—authorising local law, s 10 (1)

For section 10 (1) of the Authorising local law the areas shown in the local governments Animals in Prohibited Public Places Register, which is available for public inspection, are designated pursuant to this subordinate local law as areas where animals are not permitted in public places.

10 Dog off-leash areas—authorising local law, s 11 (1)

For section 11 (1) of the Authorising local law the areas shown in the local governments Dog Off-Leash Area Register, which is available for public inspection, are designated pursuant to this subordinate local law as areas where a dog is not required to be on a leash in public.

11 Animal faeces in public places—authorising local law, s 13

For section 13 of the authorising local law, the following animals are prescribed as animals whose faeces must be removed from a public place and disposed of in a sanitary way—

- (a) dogs;
- (b) cats;
- (c) horses;
- (d) cattle;
- (e) goats
- (f) donkeys;
- (g) camels;
- (h) sheep; and
- (i) any other animal faeces that an authorised person directs to have removed.

12 Requirements for proper enclosures for keeping animals—authorising local law, s 14(1)

For section 14(2) of the authorising local law, column 2 of schedule 8 sets out the requirements for proper enclosures for an animal of the species or breed mentioned in column 1 of schedule 8.

13 Criteria for declared dangerous animals—authorising local law, s 18(1)

For section 18 (1) of the authorising local law, the criteria an authorised person must consider in declaring an animal other than a dog as a declared dangerous animal are set out on Schedule 9.

Part 4 Seizure, impounding or destruction of animals

14 Animals that may be disposed of without auction or tender—authorising local law, s 32(1)(b)

For section 32(1)(b) of the authorising local law, the species, breeds or classes of animal that may be sold by private agreement, destroyed or disposed of in some other way without destroying it are the following—

- (a) dogs;
- (b) cats;
- (c) horses;
- (d) cattle;
- (e) poultry;
- (f) birds;
- (g) goats;
- (h) pigs; and
- (i) sheep.

15 Register of impounded animals—authorising local law, s 33(3)

For section 33(3) of the authorising local law, the register of impounded animals will be kept at the local government's public offices.

Part 5 Miscellaneous

16 Conditions regarding sale of animals—authorising local law, s 42(1)

For the purposes of section 42(1) of the authorising local law, persons who offer for sale an animal of a species or breed mentioned in column 1 of schedule 10 must comply with the conditions set out in column 2 of schedule 10.

17 Animals excluded from application of the local law—authorising local law, schedule

For the purposes of the definition of “*animal*” in the schedule to the authorising local law, the following animals are excluded from the application of the authorising local law—

- (a) a guide dog; or
- (b) an assistance dog (other than a guide dog) provided the dog –
 - (i) is under effective control; and
 - (ii) is not a regulated dog; and
 - (iii) is not a dog that is on heat; and
 - (iv) is wearing a jacket and tag identifying it as an assistance dog; or

Examples of evidence that may be required to establish that a dog is an assistance dog (other than a guide dog) –

- i. the person has a disability and the nature of that disability; and*
 - ii. the dog provides assistance to the person to alleviate the effect of that disability and the nature of that assistance; and*
 - iii. the dog has been trained to assist the person to alleviate the effect of that disability; and*
 - iv. that training includes training to comply with the standards of hygiene and behaviour comparable to those apply to guide dogs.*
- (c) dogs owned by the Queensland Police Service or an employee, contractor or agent of the Queensland Police Service and under the control of a competent handler; or
 - (d) a security dog under the control of a competent handler and being used in connection with the business or an organisation approved by the local government to carry out security services.
 - (e) Any animals that are regulated or managed under other state legislation.

18 Species that are declared dangerous animals—authorising local law, schedule

Section 19

For the purposes of the definition of “***declared dangerous animal***” in the schedule to the authorising local law, the following are declared dangerous animals—

- (a) an animal that—
 - § has attacked a person or an animal; or
 - § has caused a person to believe that the person or an animal will be attacked or worried; or
 - § is likely, in the opinion of an authorised person, to cause a person to believe that the person or an animal will be attacked or worried; or
 - § has been trained to attack for the purpose of guarding either persons or property; or
 - § has been declared a dangerous dog by another local government; or
 - § the animal has been declared dangerous by another local government.

19 Prescribed period for reclaiming animals—authorising local law, schedule

For the purposes of the definition of “***prescribed period***” in the schedule to the authorising local law, the period within which an animal may be reclaimed is-

- (a) if the animal is registered with the local government, 5 days; or
- (b) if the animal is not registered with the local government, 3 days; commencing on the day a notice of impounding is given to a person or, if no notice is given to a person, on the day of the seizure.

Schedule 1 - Dictionary

special birds includes emus and ostriches.

noisy bird means a bird that is noisy in the opinion of an authorised person and includes a cacophonous bird of the Galah, cockatoo, magpie, peacock or currawong variety but does not include a rooster.

birds means all birds other than noisy birds, special birds, poultry and roosters.

poultry includes any species of chickens (including bantam chickens), geese, ducks, guinea fowls, turkeys, pheasants or quails.

Schedule 2 - Prohibition on keeping animals

Section 5

Column One Species or breed or animals	Column Two Circumstances in which keeping of animal or animals is prohibited
Roosters	On any allotment less than 10,000m ²
Poultry	On any allotment less than 450m ²
Noisy Birds	On any allotment less than 800m ² More than one (1) noisy bird on an allotment 800m ² to 10,000m ²
Special Birds	On any allotment less than 20,000m ²
Cats	On any allotment located in a Conservation Planning area
Dogs	On any allotment used for Sport and Recreation purposes More than one (1) dog on any allotment located in a Conservation Planning area
Goats & Sheep	On any allotment less than 2,000m ² More than two (2) goats on an allotment 2,000m ² to 4,000m ² More than two (4) goats on an allotment 4,000m ² to 10,000m ²
Pigs	On any allotment less than 10,000m ² On any allotment located in a Conservation Planning area
Rams	On any allotment less than 10,000m ²
Bulls, Horses, Donkeys, Cows, /and other animals of similar size	On any allotment with an area less than 2,000m ²
Stallion	On any allotment with an area less than 10,000m ²

Note: The application of Schedule 2 (Prohibition on Keeping of Animals) does not apply to allotments where a Development Permit pertains to the use of land for animal husbandry.

Schedule 3 – Requirement for approval to keep animal

Section 6

Column One Species or breed or animals	Column Two Circumstances in which keeping of animals requires approval
Poultry	More than six (6) poultry on any allotment 450m ² to 800m ² More than nine (9) poultry on an allotment 800m ² to 2,000m ² More than twelve (12) poultry on an allotment 2,000m ² to 10,000m ²
Birds	More than 10 birds on an allotment less than 800m ² More than 30 birds on an allotment less than 4,500m ²
Noisy Bird	More than one (1) noisy bird on an allotment 800m ² to 10,000m ²
Cats	More than two (2) cats on any allotment
Dogs	More than one (1) dog on an allotment less than 450m ² More than two (2) dogs on any allotment above 450m ²
Goats	More than two (2) goats on allotments 2,000m ² to 4,000m ²
Sheep	More than four (4) sheep on an allotment 2000m ² to 10,000m ²
Pigs	More than four (4) pigs on an allotment more than 10,000m ²
Bulls, Horses, Donkeys, Cows, /and other animals of similar size	More than one (1) on an allotment 2,000m ² to 10,000m ²
Stallions	One or more on any allotment
Breeding	Cat – On any allotment Dog – On any allotment Horses – On any allotment less than 10,000m ² Cattle - On any allotment less than 10,000m ² Birds - On any allotment less than 2,000m ² Poultry - On any allotment less than 2,000m ² Sheep - On any allotment less than 10,000m ² Goats - On any allotment less than 10,000m ²

Schedule 4 - Minimum standards for keeping animals generally

Section 7(1)

1. All animals—

- (a) any land, enclosure or building in which an animal is kept must be maintained so as not to cause a public health risk as defined by the *Public Health Act 2005*; and
- (b) any land adjoining a road and on which an animal is kept must be adequately fenced to the satisfaction of an authorised person so as to prevent animals escaping from the land onto the road
- (c) an enclosure in which an animal is kept must be maintained to the satisfaction of an authorised person in a clean and sanitary condition, in good repair and appearance, and free from flies, rats, other vermin and nuisance odours; and
- (d) an enclosure in which an animal is kept must be built and maintained in such a way as to prevent the animal from escaping; and
- (e) an enclosure must provide adequate space in the opinion of the authorised person for any animal to be kept therein; and
- (f) the keeper of the animal must thoroughly clean the enclosure every day of faeces, uneaten food and any offensive matter produced by any animals kept on the premises. Such faeces, uneaten food and other offensive matter must be stored in a water-proof receptacle that prevents access to flies and vermin and does not allow the emission of nuisance odours; and
- (g) all receptacles, used for the storage of faeces, uneaten food and any offensive matter produced by any animals, are to be covered at all times and their contents must be removed at least weekly or more often if directed by an authorised person and then disposed of in such a manner so as not to be a nuisance or injurious or prejudicial to health; and
- (h) the keeper of an animal must provide and maintain impervious rat-proof receptacles and other impervious rat-proof storeroom facilities for the storage of feed to the satisfaction of the authorised person; and
- (i) the keeper of an animal must provide the animal with and ensure the animal has access to adequate shelter from sun, wind and rain to the satisfaction of an authorised person; and
- (j) the keeper of an animal must provide the animal with, in the opinion of an authorised person, an appropriate quantity and quality of food and an appropriate quantity of clean drinking water to maintain an animal in good health; and
- (k) an enclosure in which an animal is kept must be effectively treated with insecticide at least twice a year to the satisfaction of an authorised person.

2. Nuisance

- (a) An animal must not be kept so that so that it does not in the opinion of an authorised person cause a nuisance or is injurious or prejudicial to health, including a nuisance from a dog or any animal that creates a noise which persistently occurs or continues to such a degree or extent that it unreasonably interferes with the peace, comfort or social well-being of a reasonable person.

Schedule 5 - Minimum standards for keeping particular animals

Section 7(2)

Column 1 Species or breed of animal	Column 2 Minimum standards for keeping animals
Horse, Cattle, Donkey, Sheep, Goat and other animals of a similar size	(1) If a stable is constructed: (a) a covered receptacle for manure or other offensive matter must be kept in the stable; and (b) the inside face of all external walls and all faces of interior walls of a stable must be lime washed or painted at least once in every year; and (c) the interior of a stable must be sprayed at least once in every 3 months with a germicidal spray; and (d) any part of a stable (except a stable used exclusively for milk cows) must not be within a distance of 130 metres of a dairy produce premises or milking shed; and (e) the stable must be constructed in accordance with provisions of the <i>Building Act 1975</i> and any applicable codes as defined by that Act; and (f) any part of a stable must not be situated: (i) 10m from an adjoining boundary of an allotment 2,000m² or more; and (ii) 1m from any dwelling; and (iii) 15m from any structure which food for human consumption is processed or stored; and (iv) 6m from a roadway (2) The keeper must not deposit manure in any way that may pollute or be likely to pollute water which is used or is likely to be used for human consumption or for dairy purposes.

Column 1 Species or breed of animal	Column 2 Minimum standards for keeping animals
Poultry	(1) Fowl houses, fowl pens and runs are not to be situated (a) within 10m of a dwelling or place where food is kept processed or stored; and (b) within 5m of any property boundary or a road. (2) Poultry food must be stored in a vermin proof receptacle
Pig	(1) The interior of the enclosure where pigs are kept must be sprayed at least once every 3 months with a germicidal spray. (2) any part of a sty or other enclosure in which a pig is kept must not be situated: (a) 10m from an adjoining boundary; and (b) 15m from any dwelling; and (c) 15m from any structure which food for human consumption is processed or stored; and (d) 6m from a roadway; and (e) 20m from any watercourse, well or bore.

Schedule 6 - Prohibition of animals in public places

Section 9

Refer to register DM5 # 2580487

Schedule 7 - Dog off-leash areas

Section 10

Refer to register DM5# 2580518

Schedule 8 - Requirements for proper enclosures for animals

Section 12

	Column 1 Species or breed of animal	Column 2 Minimum standards for keeping animals
1	All Animals	The keeper of an animal must maintain at all times a proper enclosure to keep the animal on the subject land and prevent the animal from wandering or escaping from the land; and • in the opinion of an authorised person, a fence of a suitable height and construction method and materials to prevent an animal from escaping over, through or under the fence;

Schedule 9 - Criteria for declared dangerous animals

Section 13

The following criteria are the criteria an authorised person must consider in declaring an animal other than a dog as a declared dangerous animal:

- (a) whether the animal has attacked a person or an animal;
- (b) whether in the opinion of an authorised person the animal is likely to attack or worry a person or an animal;
- (c) whether the animal has been trained or is used to attack for the purpose of guarding either persons or property; and
- (d) whether the animal has been declared as a declared dangerous animal by another local government.

Schedule 10 - Conditions for sale of animals

Section 16

	Column 1 Species or breed of animal	Column 2 Conditions that must be complied with when offering animal for sale
1	All Animals	(a) A person must not operate a pet shop, cattery or kennel unless authorised to operate it under a current commercial permit from local government. (b) The holder of a commercial permit must ensure that any animals offered for sale are; (i) in good health and free from disease; and (ii) vaccinated and have received worm treatment; and (iii) held in an area that is clean and sanitary and free of vermin harbourage to the satisfaction of an authorised person; and (iv) not held for sale on a road or land under the control of local government; and (v) restrained by enclosures, fences or be tendered so as to effectively prevent the animal from straying off the premises; and (vi) not kept in display cases or in a confined area overnight, except for an enclosure approved by an authorised person.
2	Dog or Cat	(c) A person selling a dog or cat must: (i) be a breeder licensed under any relevant state legislation applying to the breeding of dogs or cats; or (ii) be a breeder licensed with a relevant breeding association; or (iii) have an approval to breed pursuant to section 6 (Schedule 3) – requirement for approval to keep animal.

CERTIFICATION

This and the preceding 21 pages bearing my initials is a certified copy of *Subordinate Local Law No. 2 (Animal Management) 2011* made in accordance with the provisions of the *Local Government Act 2009*, by Cairns Regional Council by resolution dated of 2011.

Lyn Russell PSM
Chief Executive Officer
Cairns Regional Council

Part 1 Preliminary

1 Short title

This subordinate local law may be cited as *Subordinate Local Law No. 3 (Community and Environment Management) 2011*.

2 Purpose and how it is to be achieved

- (1) The purpose of this subordinate local law is to supplement *Local Law No. 3 (Community and Environment Management) 2011*, which provides for protecting the environment and public health, safety and amenity within the local government's area.
- (2) The purpose is to be achieved by providing for—
 - (a) declaration of local pests; and
 - (b) prohibition of lighting or maintaining certain fires; and
 - (c) declaration of fire hazards; and
 - (d) declaration of community safety hazards; and
 - (e) prescribed requirements for owners of land containing community safety hazards; and
 - (f) declaration of noise standards.

3 Authorising local law

The making of the provisions in this subordinate local law is authorised by *Local Law No. 3 (Community and Environment Management) 2011* (the ***authorising local law***).

4 Definitions

- (1) The dictionary in Schedule 1 defines particular words used in this subordinate local law.
- (2) Any words defined in the authorising local law have for the purpose of this subordinate local law the meaning given to them in the authorising local law.

Part 2 Declared local pests

5 Declaration of local pests—authorising local law, s 6(1)

- (1) For section 6 (1) of the Authorising local law, the animal or plant prescribed in column 2 of schedule 2 is a declared pest in the corresponding part of the local government's area mentioned in column 1 of schedule 2.
- (2) For the purposes of section 6 (1) of the local law, animals and plants included in a register (the ***Pest Plant and Animal Register***) are declared local pests.
- (3) The Pest Plant and Animal Register must be kept available for inspection and purchase at each public office of the local government.

6 Persons exempted from introducing etc a declared local pest—authorising local law, s 12(2)

For section 12(2) of the authorising local law, a person mentioned in column 1 of schedule 3 is exempt from section 12(1) of the authorising local law in relation to introducing, propagating, breeding or providing harbour to a declared local pest mentioned in the corresponding part of column 2 of schedule 3.

Part 3 Overgrown and unsightly allotments

Part 4 Fires and fire hazards

7 Prohibition on lighting or maintaining fires—authorising local law, s 15(2)

- (1) This section applies to the following fires¹—
 - (a) a fire in which neither the height, width nor length of the material to be burned exceeds 2 metres;
 - (b) a fire lit for the purpose of burning the carcass of a beast;
 - (c) a fire lit at a sawmill for the purpose of burning sawdust or other residue resulting from the operation of a sawmill;

¹ Pursuant to a notification by the Fire and Rescue Services Commissioner published in the gazette on 6 August 2004 under section 63 of the *Fire and Rescue Service Act* 2004, the listed fires can generally be lit without a permit issued by a fire warden, provided adequate precautions are taken to prevent the spread of fire and the fire conforms with any local law. Local laws can therefore regulate these types of fire, which is the purpose of this subordinate local law.

- (d) a fire lit outdoors, if enclosed in a fireplace so constructed as to prevent the escape of fire or any burning material.
- (2) For section 15(2) of the Authorising local law, lighting or maintaining a fire described in column 2 of schedule 4 is declared to be prohibited in the corresponding part of the local government's area mentioned in column 1 of schedule 4.

8 Fire hazards—authorising local law, s 16(3)(b)

For section 16(3)(b) of the authorising local law, the following are declared to be fire hazards—

- (a) live cinders or hot ash that is not enclosed in a fireplace so constructed as to prevent the escape of cinders or ash;
- (b) a large accumulation of grass clippings that is in the opinion of an authorised person liable to spontaneous combustion;
- (c) dry vegetation that could be easily ignited or other flammable materials

Part 5 Community safety hazards

9 Community safety hazards—authorising local law, s 17(c)

For section 17(c) of the authorising local law, the following are declared to be community safety hazards—

- (a) barbed wire;
- (b) electric fences;
- (c) disused machinery or machinery parts;
- (d) broken down or severely rusted vehicles, or vehicle parts;
- (e) accumulation of bottles, containers or packaging;
- (f) refuse or scrap metal;
- (g) fish frames, scraping, carcasses and or guts; and
- (h) objects that are unsecured or inadequately secured and are likely in the opinion of an authorised person to be carried away in high winds with possible risk of personal injury or property damage.

10 Prescribed requirements for community safety hazards—

authorising local law, s 20(1)

For section 20(1) of the authorising local law, owners of land that contains a community safety hazard listed in column 1 of schedule 5 must meet the requirements prescribed in the corresponding part of column 2 of schedule 5.

Part 6 Noise standards

11 Prescribed noise standards—authorising local law, s 21(2)

- (1) For section 21(2) of the authorising local law, the noise standard in column 2 of schedule 6 is prescribed for the section of the *Environmental Protection Act 1994*, chapter 8, part 3B, division 3 stated in column 1 of schedule 6.
- (2) For section 21(2) of the authorising local law, the noise standard in column 2 of schedule 6 applies in the corresponding part of the local government's area mentioned in column 3 of schedule 6.

Part 7 Miscellaneous

Schedule 1 – Dictionary

Pest Plant and Animal Register **see section 5(2)**

Generator— means an engine that converts mechanical energy into electricity to serve as a power source

Schedule 2 - Declared local pests

Section 5

Column 1 Applicable part of local government's area	Column 2 Declared local pest
Entire local government area	All plants and animals listed in local government Pest Plant and Animal Register

Schedule 3 - Persons exempted from offence of introducing etc declared local pest

Section 6

Column 1 Exempt person	Column 2 Declared local pest
Staff of an organisation using a particular pest as part of an education or scientific program.	All plants and animals listed in the local government Pest Plant and Animal Register

Schedule 4 - Prohibited fires

Section 7(2)

Column 1 Applicable part of local government's area	Column 2 Prohibited fire
Entire local government area	A person must not light or maintain a fire in the open air (including the use of an incinerator) within 100m of a residence except for the purposes of cooking.
Entire local government area	A fire that causes smoke or other products of combustion and is likely in the opinion of an authorised person to cause irritation annoyance or distress to others
Entire local government area	A fire that in the opinion of an authorised person exposes property to the risk or damage or destruction by fire

Schedule 5 - Prescribed requirements for community safety hazards

Section 10

Column 1 Community safety hazard	Column 2 Prescribed requirements to be met by owner of land
Barbed Wire fencing	(a) Barbed wire fencing must not be installed along a boundary adjoining a public park or residential property; and (b) Barbed wire to be used in urban areas only in a security fence with the barbed wire to be more than 2 metres off the ground
Electric Fencing	(a) Electric fencing must only be used in rural areas; (b) Electric fencing must be installed, operated and maintained in accordance with AS/NZS 3014:2003; (c) Electric security fencing must be installed, operated and maintained in accordance with AS/NZS 3016:2002.
Disused machinery Broken down machinery parts Severely rusted vehicles Accumulations of bottles, containers or packaging Refuse or scrap metal	(a) Must be stored in a structure or way considered appropriate by an authorised person; and (b) Any objects which are in the opinion of an authorised person unsightly are to be screened from public view.
Objects that are unsecured or inadequately secured and likely in the opinion of an authorised person to be carried away in high winds with possible risk of personal injury or property damage	(a) Objects or materials to be safely secured to the satisfaction of an authorised person; or (b) Objects or materials to be stored in an area where they are not subject to movement by high winds
Smoke from outdoor cooking ovens or fires	Must not in the opinion of an authorised person cause a nuisance to another person.
Fish frames, scraping, carcasses or guts	Must not be discarded in water courses etc.

Schedule 6 - Prescribed noise standards

Section 11

Column 1 Section of the <i>Environmental</i> <i>Protection Act</i> 1994, chapter 8, part 3B, division 3	Column 2 Prescribed noise standard	Column 3 Applicable part of local government's area
440R Building work	Building work (1) A person must not carry out building work in a way that makes an audible noise— (a) on a business day or Saturday, before 6.30a.m. or after 6.30p.m; or (b) on any other day, at any time. ² (2) The reference in subsection (1) to a person carrying out building work— (a) includes a person carrying out building work under an owner-builder permit; and (b) otherwise does not include a person carrying out building work at premises used by the person only for residential purposes.	Entire local government area

² *Subsection (1) does not apply if an approval to make the audible noise outside of the designated times has been issued under this local law.

440S Regulated devices	Regulated devices - General A <i>Regulated device</i> for the purposes of this section means any of the following— (a) a compressor; (b) a ducted vacuuming system; (c) a generator; except for Generators in the area north of the Daintree River;³ (d) a grass-cutter; (e) an impacting tool; (f) a leaf-blower; ** insert Esplanade comments (g) a mulcher; (h) an oxyacetylene burner; (i) an electrical, mechanical or pneumatic power tool; <i>Examples of a power tool</i>—chainsaw, drill, electric grinder or sander, electric welder, nailgun; (j) any other device declared by resolution of the local government to be a regulated device for the purposes of this provision. (1) This section applies to— (a) a person carrying out an activity other than building work; and (b) a person carrying out building work, at premises used by the person only for residential purposes, other than under an owner-builder permit. (2) A person must not use or operate a regulated device in a way that makes an audible noise— (a) between 7 pm and 7 am on a business day or Saturday; - or; (b) between 7 pm and 8 am on any other day. (3) For the purposes of subsection (2), if the person using or operating the regulated device is a minor, liability instead attaches to a parent, guardian or person with actual or apparent care of the minor. (4) Subsection (2) does not apply to a person operating a grass-cutter or leaf-blower at a place that is a State-controlled road or a railway under an authority from the occupier of the	Entire local government area
--	---	-------------------------------------

³ 440S Regulated Devices does not apply to generators in the area of Cairns Regional Council, north of the Daintree River that is without access to mains power.

	place or an employee or contractor of Cairns Regional Council operating a grass-cutter, leaf blower or street sweeper being operated under an authority of the Cairns Regional Council. (5) Subsection (2)(a) does not apply to a person operating a regulated device at a manual arts facility at an educational institution between 7.00p.m. and 10.00p.m. Generators in the area north of the Daintree River (1) This provision applies to generators used or operated on premises north of the Daintree River that are without access to mains power. (2) An owner, occupier or person in control of the premises must not use, or permit the use of the generator on any day— (a) between 10 pm and 7 am, if it makes an audible noise; or; (b) between 7 am and 7 pm, if it makes a noise of more than 5dB(A) above the background level; or; (c) between 7 pm and 10 pm , if it makes a noise of more than 3dB(A) above the background level. (3) Subsection (2)(a), (b) and (c) do not apply to a noise made at an educational institution, that is not more than 5 dB(A) above the background level.	
--	---	--

440T Pumps	Pumps (1) This section applies to premises at or for which there is a pump. (2) An occupier of the premises must not use, or permit the use of the pump on any day— (a) between 10 pm and 7 am, if it makes an audible noise; or; (b) between 7 am and 7 pm, if it makes a noise of more than 5dB(A) above the background level; or; (c) between 7 pm and 10 pm, if it makes a noise of more than 3dB(A) above the background level. (3) Subsection (2)(a), (b) and (c) do not apply to a noise made at an educational institution, that is not more than 5dB(A) above the background level. (4) In this section— <i>pump</i>— (a) means an electrical, mechanical or pneumatic pump; and <i>Examples</i>— liquid pump, air pump, heat pump (b) includes a swimming pool pump and a spa blower.	Entire local government area
440U Air-conditioning equipment	Air-conditioning equipment (1) This section applies to premises at or for which there is air-conditioning equipment. (3) An occupier of the premises must not use, or permit the use of, the equipment on any day if it makes a noise of more than 5dB(A) above the background level.	Entire local government area

440V Refrigeration equipment	Refrigeration equipment (1) This section applies to a person who is— (a) an occupier of premises at or for which there is plant or equipment for refrigeration (refrigeration equipment); or (b) an owner of refrigeration equipment that is on or in a vehicle, other than a vehicle used or to be used on a railway. (2) The person must not use, or permit the use of, the refrigeration equipment on any day— (a) between 10 pm and 7 am, if it makes a noise of more than 3dB(A) above the background level; or; (b) between 7 am and 10 pm, if it makes a noise of more than 5dB(A) above the background level; or (3) In this section— vehicle includes a trailer.	Entire local government area
Cairns Esplanade Reserve	Noise levels produced 3m immediately in front of speaker systems do not exceed 100dB at times before 7:00pm, and/or 110dB at times between 7:00pm and 10:00pm so that the use or activity authorised under the licence does not cause a nuisance.	
Cairns City Place	Noise levels produced 3m immediately in front of speaker systems must not exceed 90dB so that the use or activity authorised under the licence does not cause a nuisance.	
Rex Smeal Park	Noise levels produced 3m immediately in front of speaker systems does not exceed 100dB at times before 7:00pm, and/or 110dB at times between 7:00pm and 10:00pm so that the use or activity authorised under the licence does not cause a nuisance.	
Munro Martin Park	Noise levels produced 3m immediately in front of speaker systems do not exceed 100dB at times before 7:00pm, and/or 110dB at times between 7:00pm and 10:00pm so that the use or activity authorised under the licence does not cause a nuisance.	

CERTIFICATION

Part 1 Preliminary

1 Short title

This subordinate local law may be cited as *Subordinate Local Law No. 4 (Local Government Controlled Areas, Facilities and Roads) 2011*.

2 Purpose and how it is to be achieved

- (1) The purpose of this subordinate local law is to supplement *Local Law No.4 (Local Government Controlled Areas, Facilities and Roads) 2011* in order to protect the health and safety of persons using local government controlled land, facilities, infrastructure and roads and preserve features of the natural and built environment and other aspects of the amenity of local government controlled land, facilities, infrastructure and roads.
- (2) The purpose is to be achieved by providing for—
 - (a) the regulation of access to local government controlled areas; and
 - (b) the prohibition or restriction of particular activities in local government controlled areas or roads.

3 Authorising local law

The making of the provisions in this subordinate local law is authorised by *Local Law No.4 (Local Government Controlled Areas, Facilities and Roads) 2011* (the **authorising local law**).

4 Definitions

Particular words used in this subordinate local law have the same meaning as provided for in the authorising local law.

Part 2 Use of local government controlled areas, facilities and roads

5 Prohibited and restricted activities—authorising local law, s 5(1)

- (1) For section 5(1)(a) of the authorising local law, the activities prescribed in column 2 of schedule 1 are declared to be prohibited in the corresponding local government controlled area or road (or part thereof) mentioned in column 1 of schedule 1.
- (2) For section 5(1)(b) of the authorising local law, the activities prescribed in column 2 of schedule 2 are declared to be restricted in the corresponding local government controlled area or road or part thereof mentioned in column 1 of schedule 2, to the extent described in column 3 of schedule 2.

6 Motor vehicle access in local government controlled areas—authorising local law, s 6(1)(b)

For section 6(1)(b) of the authorising local law, the areas prescribed in column 1 of schedule 3 are declared to be motor vehicle access areas.

7 Prohibited vehicles—authorising local law, s 6(3)

For section 6(3) of the authorising local law, the specific types of motor vehicle prescribed in column 2 of schedule 3 are declared to be prohibited vehicles in the corresponding specified motor vehicle access area in column 1 of schedule 3.

8 Opening hours for local government controlled areas—authorising local law, s 6(1)

For section 6(1) of the authorising local law, the opening hours for a local government controlled area are the hours specified by an official sign approved by the local government and placed at each public entrance to the area. If there is no defined public entrance to the area, signs must be installed so that they clearly visible, in the opinion of an authorised person, to members of the public using the area.

9 Permanent closure of local government controlled area—authorising local law, s 7(3)

The local government controlled areas described in schedule 5 are permanently closed to public access.

Part 3 Matters affecting roads

10 Notice requiring owner of land adjoining road to fence land—authorising local law, s 8(3)

For section 8(3) of the authorising local law, the minimum standards for a fence that is the subject of a compliance notice under section 8(2) of the Authorising local law are as follows—

- (a) the fence must be, in the opinion of an authorised person, of adequate height, strength and nature and be constructed of appropriate materials for the purposes of restraining the types of animal contained in the area adjacent to the fence.

Schedule 1 - Prohibited activities for local government controlled areas or roads

Section 5(1)

Column 1 Local government controlled area or road	Column 2 Prohibited activity
Port Douglas Boat Harbour	Cause permit or suffer any boom, spar or other projection to be rigged out of its stowed position so that it extends for a distance in excess of 1 (one) metre from the side of the vessel. Interfere with any fitting or appliance for any other purpose other than that for which such fitting or appliance is provided. Unload any fish from a fishing vessel unless at a fish receivable area or areas approved by local government for that purpose Carry or use a loaded spear gun or apparatus of a similar nature Operating, manoeuvring, mooring, anchoring or sailing a vessel so as to create a danger, obstacle, impediment or inconvenience to other users Mooring or anchoring of vessels that are not seaworthy; derelict; or in a state of disrepair Tying up or fastening of vessels to trees, markers, light poles signage or anything other than an approved mooring Sub-letting of moorings Operating a vessel so that it causes wave wash or exceeds a maximum speed of 4 knots The bottom scraping of vessels The discharge of vessel toilets, sinks and showers into the boat harbour The discharge of polluted bilge water or effluent from manual and automatic bilge pumps into the harbour Carrying out major boat maintenance, repairs, sanding,

Port Douglas Boat Harbour ..(continued)	grinding, painting or refitting of vessels The storage and transportation of fuels, oils or other flammable and combustible goods or substances The refuelling of vessels other than at locations approved for that purpose by the local government The excessive running of engines, motors and generators Double mooring or doubling up of vessels on a mooring or anchor Not securely mooring or anchoring a boat using mooring or anchor lines that are in the opinion of an authorised person adequate and good and serviceable condition Not properly securing in the opinion of an authorised person all lines, rigging, halyards and loose fittings on vessels Not complying with the directions of an authorised person, police officer or harbour master Land or take off a sea or float plane unless in an emergency Remove, displace or interfere with any board, plate or tablet or associated fastenings for a local government notice Wilfully break, destroy or damage any erection, beacon, tree, plant, seat or thing Write upon, mark, or deface any building or erection, mooring, tree, plant, seat or thing
---	---

Schedule 3 - Motor vehicle access areas in local government controlled areas

Sections 6 and 7

Column 1 Motor vehicle access areas	Column 2 Prohibited vehicles
N/A	N/A

Schedule 4 - Opening hours for local government controlled areas

Section 8

Column 1 Local government controlled area	Column 2 Opening hours
All Council controlled areas and facilities	In accordance with official signage approved and erected by the local government

Schedule 5 - Permanent closure of local government controlled areas

Section 9

1 *Babinda Boulders –*

Commencing at a point A (Lat 145d52'17.4"E, Long 17d20'34.5"S) traversing the eastern boundary of Babinda Creek in a southerly direction to point B (Lat 145d52'18.2"E, Long 17d20'41.7"S) then across Babinda Creek to point C (Lat 145d52'17.7"E, Long 17d20'41.1"S), traversing the western boundary of Babinda Creek in a northerly direction to point D (Lat 145d52'16.6"E, Long 17d20'34.5"S) and back across Babinda Creek to point of commencement.

Schedule 6 - Dictionary

Act means an Act of the Queensland Parliament;

advertisement area means the total area of an advertisement;

advertising hoarding means an off-site advertisement with an advertisement area exceeding 10m². The term includes:

- (a) a framework;
- (b) a signboard;
- (c) a noticeboard;
- (d) a wall;
- (e) a fence; or
- (f) another structure or erection,
used or intended to be used for the display of an
advertisement whether or not such display is illuminated;

aerial advertising device means a fixed or captive balloon, kite, or inflated advertisement;

animated or moving advertisement means an advertisement that has moving parts or which rotates or revolves. The term includes advertisements containing chasing or running bulbs, reader boards (electronic variable message) and similar features;

arcade directory advertisement means a freestanding advisory advertisement located in front of an entrance to an arcade of shops which lists businesses located within the arcade;

bank advertisement means any advertisement projecting from the wall or face of a building or structure where the dimensions of the projection exceed the vertical dimension of the advertisement;

banner advertisement means any advertisement:

- (a) suspended from any structure, tree or pole;
- (b) with or without supporting frame work; and
- (c) displaying an advertisement applied to paper, plastic or similar material or fabric of any kind.

The term excludes symbolic flags of any institution or business;

beacon light means any light with one or more beams, capable of being directed in one or more directions or capable of being revolved automatically. The term includes:

- (a) a strobe or occulting light;
- (b) any other high density discharge lamp;
- (c) any device capable of converting light of mixed frequencies into an intense beam of light; and
- (d) any other similar light emitting appliance.

bunting includes decorative flags, pennants and streamers;

directional estate advertisement means an off-site advertisement, not being an advertising hoarding, and used to indicate the location of an industrial or residential development display home village;

estate entrance advertisement means an advertisement placed or erected at the entrance to an industrial or residential development, identifying the particular development;

estate sales office means any premises including a caravan or relocatable home on which a sign is exhibited for the promotion and/or sale of land within an industrial or residential development, where the use of such facilities shall not be more than two (2) years from the date of commencement, unless approved by Council;

fascia advertisement means an advertisement which is affixed to, posted or painted on a fascia of a building, such that the advertisement protrudes no more than 100mm from the surface to which it is attached;

freestanding advertisement means an advertisement which:

- (a) is erected on a pole or poles, or on a pylon structure ("a freestanding pole advertisement"); or
- (b) a solid, free standing structure, and does not form part of any building or other structure.

illuminated advertisement means an advertisement illuminated or designed for illumination by electricity or other means of artificial illumination either internally or externally;

off-site advertisement means an advertisement, either freestanding or affixed to a building or structure, that is intended to promote goods, services, a business, commercial enterprise or industry not available or conducted on-site;

over awning advertisement means an advertisement which is located on top of an awning, verandah or canopy with no part of the advertisement projecting above the roofline or beyond the awning, canopy or verandah edge;

planning area as defined by the Planning Scheme.

planning scheme means the Planning Schemes for the:

Cairns Plan gazetted; *removed date gazetted*

Douglas Shire Planning Scheme. *removed date gazetted*

political advertisement means a temporary advertisement exhibited for the purposes of an election;

portable advertisement means a freestanding moveable advertisement placed on the footpath, road reserve or other public place. The term includes sandwich and spinning boards;

real estate advertisement means a temporary advertisement on-site, advising of the owner's intention to sell, lease, tender or auction the land and/or building;

revolving flashing light means an advertisement containing flashing lights for example flashing lights similar to those used on emergency vehicles;

temporary advertisement means an advertisement which, by its nature, is intended to be in place for only a limited amount of time, not exceeding three months. The term includes:

a political advertisement;

a real estate advertisement; or

an advertisement for the sale, lease, tender or auction of a product.

transom advertisement means an advertisement attached to the transom, horizontal beam, of a doorway in a building;

under awning advertisement means an advertisement which is attached to the underside of an awning, verandah, or canopy;

vehicle means any air cushion vehicle, articulated vehicle, bicycle, caravan trailer, commercial vehicle, motor car, motor cycle, motor omnibus, motor truck, motor utility, truck, motor vehicle, omnibus, side car, tractor, trailer, tricycle or vehicle as defined in section 9 of the *Traffic Act*; (*Comment: Check section*)

wall advertisement means an advertisement which is affixed to, posted or painted on a wall surface of a building, such that the advertisement protrudes no more than 100mm from the wall to which it is attached. The term excludes fascia, or transom advertisements;

window advertisement means an advertisement which is attached to or displayed on the exterior or interior surface of a window. The term includes a device which is suspended from the window frame and may also be illuminated, and excludes product displays or showcases viewed by pedestrians.

CERTIFICATION

This and the preceding 26 pages bearing my initials is a certified copy of *Subordinate Local Law No. 4 (Local Government Controlled Areas, Facilities and Roads) 2011* made in accordance with the provisions of the *Local Government Act 2009*, by Cairns Regional Council by resolution dated of 2011.

Lyn Russell PSM
Chief Executive Officer
Cairns Regional Council

Part 1 Preliminary

1 Short title

This subordinate local law may be cited as *Subordinate Local Law No. 5 (Parking) 2011*.

2 Purpose and how it is to be achieved

- (1) The purpose of this subordinate local law is to supplement *Local Law No. 5 (Parking) 2011* which provides for the exercise of local government powers authorised under the TORUM Act.
- (2) The purpose is to be achieved by providing for—
 - (a) the establishment of traffic areas and off-street regulated parking areas; and
 - (b) the persons who may be issued with parking permits and the terms and conditions of such permits; and
 - (c) the vehicles that can be issued with commercial vehicle identification labels; and
 - (d) the infringement notice penalty amounts for minor traffic offences.

3 Authorising local law

The making of the provisions in this subordinate local law is authorised by Cairns Regional Council Local Law No. 5 (Parking) 2011 (the **authorising local law**).

4 Definitions

- (1) The dictionary in the schedule defines particular words used in this subordinate local law.
- (2) All other words have the same meaning as in the authorising local law.

Part 2 Declaration of parking areas for the TORUM Act

5 Declaration of traffic areas—authorising local law, s 5

- (1) For section 5(1) of the authorising local law, the whole local government area is declared to be a traffic area.
- (2) For section 5(2) of the authorising local law the boundaries of the traffic area are the boundaries of the local government area.

6 Declaration of off-street regulated parking areas—authorising local law, s 6

- (1) For section 6(1) of the authorising local law, each area of land indicated by hatching in the map in schedule 1 is declared to be an off-street regulated

parking area.

- (2) For section 6(2) of the authorising local law, the boundaries of each off-street regulated parking area are indicated by bold lines circumscribing the hatched areas on the map in schedule 1.

Part 3 Parking contrary to parking restriction

7 Parking permits issued by local government—Authorising local law, s 7(2)

For section 7(2) of the authorising local law, the following persons may be issued with a parking permit mentioned in section 7(1)(b) of the authorising local law—

- (a) persons who have been granted approval under another local law for the commercial use of a local government controlled area, where the permit is necessary to undertake the commercial use; and
- (b) a person engaged in tourism-related business; and
- (c) school bus operators; and
- (d) local government employees, contractors or agents for the purpose of carrying out work for or on behalf of local government; and
- (e) residents of a road for which a permit is required; and
- (f) contractors or workers requiring a permit to park on a road to undertake work on an adjoining site; and
- (g) official news media journalists, camera operators, or persons in some other way engaged in a news gathering capacity for a magazine, newspaper, radio or television broadcast ; and
- (h) any other person who in the opinion of an authorised person has reasonable grounds to warrant the issue of a parking permit.

8 Commercial vehicle identification labels—authorising local law, s 8(2)

For section 8(2) of the authorising local law, the vehicles that may be issued with a commercial vehicle identification label are any motor vehicles constructed, fitted or equipped for the carriage of persons which is used for carrying on a business that requires the regular use of loading zones.

Part 4 Minor traffic offence infringement notice penalties

9 Infringement notice penalty amounts—authorising local law, s 9

For section 9 of the authorising local law, the infringement notice penalty amount for an offence mentioned in column 1 of schedule 2 is the corresponding amount stated in column 2 of schedule 2.

Schedule 1 - Declaration of off-street regulated parking areas

Section 6

Port Douglas off-street regulated parking areas

Port Douglas off-street regulated parking

Cairns City off-street regulated parking areas

Lake Street Parking Station – Map A

Cairns City off-street regulated parking areas

Southern Esplanade Car Park (The Pier) - Map B

Cairns City off-street regulated parking areas

Civic Theatre Car Park - Map D

Cairns City off-street regulated parking areas**Tingira Street Car Park - Map E**

Cairns City off-street regulated parking areas**Grafton Street North Car Park (Old Library Car Park) - Map F**

This map illustrates the Cairns City Centre, highlighting off-street regulated parking areas. The central focus is **CITY PLACE**, a shaded area bounded by **SHIELDS STREET** to the south, **ABBOTT STREET** to the north, **GRAFTON STREET** to the west, and **APLIN STREET** to the east. Other streets shown include **LAKE STREET** and **ESPLANADE LAGOON**. Key locations marked include the **Cairns City Library** and **Cairns Museum**. The map also displays numerous residential and commercial lots, each identified by a unique number. A legend in the bottom left corner defines the hatched pattern used to denote off-street regulated parking areas. A north arrow is located in the top left corner.

Schedule 2 - Infringement notice penalty amounts for certain minor traffic offences

Section 9

Column 1 Minor traffic offence	Column 2 Infringement notice penalty amount
Minor Traffic Offences relating to paid parking of the <i>Transport Operations (Road Use Management) Act 1995</i> (TORUMA).	
106 (1) (a) (i) Parking in a designated parking space where a parking meter or parkatarea installed for the space indicates that a parking fee has not been paid	\$20.00 or 0.2 Penalty Units
106 (1) (a) (ii) Parking in a designated parking space without complying with the authorised system that applies for that space	\$20.00 or 0.2 Penalty Units
106 (1) (b) Parking in a designated parking space for a period longer than the maximum time indicated on the official traffic sign installed for the space	\$20.00 or 0.2 Penalty Units
106 (1) (c) Parking in a designated parking space in which another vehicle is parked	\$20.00 or 0.2 Penalty Units
106 (1) (d) Parking in a designated parking space so that the vehicle is not wholly within that space	\$20.00 or 0.2 Penalty Units

Column 1 Minor traffic offence	Column 2 Infringement notice penalty amount
Minor Traffic Offences relating to paid parking of the <i>Transport Operations (Road Use Management- Road Rules) Regulation 2009</i> (TORUMRRR).	
167 Stopping on a length of road or in an area to which no stopping sign applies	\$40.00 or 0.4 Penalty Units
168 (1) Stopping on a length of road or in an area to which no parking sign applies	\$40.00 or 0.4 Penalty Units
169 Stopping at the side of a road marked with a continuous yellow edge line	\$40.00 or 0.4 Penalty Units
170 (1) Stopping in an intersection	\$40.00 or 0.4 Penalty Units
170 (2) Stopping on a road within 20m front the nearest point of an intersecting road at an intersection with traffic lights	\$40.00 or 0.4 Penalty Units
170 (4) Stopping on a road within 10m from the nearest point of an intersecting road at an intersection without traffic lights	\$40.00 or 0.4 Penalty Units
171 (1) (a) Stopping on a children's crossing	\$40.00 or 0.4 Penalty Units
171 (1) (b) Stopping on the road within 20m before the children's crossing or 10m after the crossing	\$40.00 or 0.4 Penalty Units
172(1) Stopping on a pedestrian crossing that is not an intersection , or on the road within 20m before the crossing and 10m after the crossing	\$40.00 or 0.4 Penalty Units
173 (1) stopping on a marked foot crossing that is not an intersection, or on the road within 10m before the traffic lights pole nearest to the driver at the crossing and 3m after the crossing	\$40.00 or 0.4 Penalty Units
174 (2) Stopping within 10m before the traffic lights nearest to the driver at the place, and 3m after the traffic lights on a road – (a) with bicycle crossing lights facing bicycle riders crossing the road; and (b) With traffic lights facing traffic travelling on the road, and (c) that is not an intersection	\$40.00 or 0.4 Penalty Units

Column 1 Minor traffic offence	Column 2 Infringement notice penalty amount
Minor Traffic Offences relating to paid parking of the Transport Operations (Road Use Management- Road Rules) Regulation 2009 (TORUMRRR).	
175 (1) Stopping on a level crossing, or on a road within 20m before the nearest rail or track to the driver approaching the crossing and 20m after the nearest rail or track to the driver leaving the crossing	\$40.00 or 0.4 Penalty Units
176 (1) Stopping on a length of road other than a road-related area, to which a clearway sign applies	\$40.00 or 0.4 Penalty Units
179(1) Stopping in a loading zone.	\$40.00 or 0.4 Penalty Units
179(2) Stopping continuously in a loading zone by a bus, truck or motor vehicle displaying a commercial vehicle identification label for longer than 30 minutes or such other time as indicated on the loading zone sign applying to the loading zone.	\$40.00 or 0.4 Penalty Units
179(2A) Stopping continuously in a loading zone by a motor vehicle that is dropping off, or picking up, goods for longer than 20 minutes.	\$40.00 or 0.4 Penalty Units
179(2B) Stopping continuously in a loading zone by a motor vehicle that is dropping off, or picking up, passengers for longer than 2 minutes.	\$40.00 or 0.4 Penalty Units
180 (1) Stopping in a truck zone	\$40.00 or 0.4 Penalty Units
181 (1) Stopping in a works zone	\$40.00 or 0.4 Penalty Units
182(1) Stopping in a taxi zone	\$40.00 or 0.4 Penalty Units
183(1) Stopping in a bus zone	\$100.00 or 1 Penalty Unit
185(1) Stopping in a permit zone unless the driver's vehicle displays a current permit issued under TORUMRRR	\$40.00 or 0.4 Penalty Units
186 (1) Stopping in a mail zone	\$40.00 or 0.4 Penalty Units
187 (1) Stopping in a bus lane, tram lane, transit lane, truck lane.	\$40.00 or 0.4 Penalty Units
187 (2) Stopping in a tram lane, tramway or on tram tracks	\$40.00 or 0.4 Penalty Units
188 Stopping in a shared zone	\$40.00 or 0.4 Penalty Units

Column 1 Minor traffic offence	Column 2 Infringement notice penalty amount
Minor Traffic Offences relating to paid parking of the Transport Operations (Road Use Management- Road Rules) Regulation 2009 (TORUMRRR).	
189 Stopping on a road – (a) if the roadway is a two-way road – between the centre of the road and another vehicle that is parked at the side of the road; or (b) if the road is a one-way road – between the far side of the road and another vehicle that is parked at the side of the road	\$40.00 or 0.4 Penalty Units
190 Stopping in a safety zone or on a road within 10m before or after a safety zone	\$40.00 or 0.4 Penalty Units
191 Stopping on a road near an obstruction on the road in a position that obstructs traffic on the road	\$40.00 or 0.4 Penalty Units
192 (1) Stopping on a bridge, causeway, ramp or similar structure	\$40.00 or 0.4 Penalty Units
192 (2) Stopping in a tunnel or underpass	\$40.00 or 0.4 Penalty Units
193 (1) Stopping on or near a crest on a length of road that is not in a built-up area.	\$40.00 or 0.4 Penalty Units
194 (1) Stopping within 1m of a fire hydrant, fire hydrant indicator or fire plug indicator	\$40.00 or 0.4 Penalty Units

Part 1 Preliminary

1 Short title

This subordinate local law may be cited as *Subordinate Local Law No. 6 (Bathing Reserves) 2010*.

2 Purpose and how it is to be achieved

- (1) The purpose of this subordinate local law is to supplement *Local Law No. 6 (Bathing Reserves) 2010*, which provides for the orderly management and regulation of activities within bathing reserves placed under the local government's control.
- (2) The purpose is to be achieved by providing for—
 - (a) the regulation of the use of aquatic equipment within bathing reserves; and
 - (b) the appointment and powers of authorised persons to manage and enforce the regulation of conduct within bathing reserves.

3 Authorising local law

The making of the provisions in this subordinate local law is authorised by *Local Law No. 6 (Bathing Reserves) 2010* (the **Authorising local law**).

4 Definitions

Particular words used in this subordinate local law have the same meaning as provided for in the Authorising local law.

Part 2 Use of aquatic equipment in bathing reserves

5 Prohibition or restriction of aquatic equipment—Authorising local law, s 12(1)

- (1) For section 12(1) of the Authorising local law, the equipment mentioned in column 2 of schedule 1 is prohibited in the corresponding bathing reserve or part of a bathing reserve mentioned in column 1 of schedule 1.
- (2) For section 12(1) of the Authorising local law, the equipment mentioned in column 2 of schedule 2 is restricted in the corresponding bathing reserve or part of a bathing reserve mentioned in column 1 of schedule 2, to the extent described in column 3 of schedule 2.

Part 3 Behaviour in bathing reserves

6 Prohibited equipment—Authorising local law, s 15(3)

For section 15(3) of the Authorising local law, the following equipment is prohibited equipment—

- (a) a vehicle;
- (b) glassware.

7 Circumstances where prohibited equipment permitted—Authorising local law, s 15(2)

For section 15(2) of the Authorising local law, section 15(1) of the Authorising local law does not apply in the following circumstances -

- (a) where life saving equipment is used by members of a life-saving patrol for surveillance of the bathing area and to assist persons in distress;
- (b) where prohibited equipment is used during a competition or event approved in writing by the local government;
- (c) approval is given under another local law.

Part 4 Authorised persons

8 Appointment of authorised persons—Authorising local law, s 26(1)(a)

For section 26(1)(a) of the Authorising local law, the following persons are authorised persons for the local law—

- (a) The senior lifeguard from a recognised life-saving club assigned by the club or Surf Life Saving Queensland to patrol a bathing reserve or part of a bathing reserve, at a particular time.

9 Limitation of authorised persons' powers—Authorising local law, s 27

For section 27 of the Authorising local law, the powers of an authorised person identified under section 8 of this subordinate local law are limited as follows—

- (a) An authorised person may only exercise the powers of an authorised person in the part of the bathing reserve assigned to the life-saving club under section 19 of the Authorising local law and during the times that the person is on duty as part of a life-saving patrol.

10 Conditions of office for authorised persons—Authorising local law, s28(1)

For section 28(1) of the Authorising local law, an authorised person identified under section 8 of this subordinate local law holds office on the following conditions—

- (a) If there is any conflict between an authorised person identified under section 26(1)(b) of the Authorising local law and an authorised person appointed under 26 (1) (a) of the local law regarding the way the powers of an authorised person should be exercised under the local law, the powers shall be exercised as directed by the authorised person appointed under section 26(1)(b).

Schedule 1 - Prohibited aquatic equipment for bathing reserves or parts of bathing reserves

Section 5(1)

Column 1 Bathing reserve or part of bathing reserve	Column 2 Prohibited aquatic equipment
All gazetted bathing reserves within the Cairns Regional Council local government area, but not including that part of the bathing reserve which is marked out as a "bathing area" under Local Law No. 6 (Bathing Reserves) 2010. For bathing reserves, refer to Cairns Regional Council Register for Bathing Reserves # 2983320	Any of the following equipment used by the general public: (a) A boat or a vessel; or (b) Another device, whether motorised or not for use on or in the water to carry a person or thing across or through the water or for recreational use in the water (over 6 metres long)

Schedule 2 - Restricted aquatic equipment for bathing reserves or parts of bathing reserves

Section 5(2)

Column 1 Bathing reserve or part of bathing reserve	Column 2 Restricted aquatic equipment	Column 3 Extent of restriction
All gazetted bathing reserves within the Cairns Regional Council local government area, but not including that part of the bathing reserve which is marked out as a "bathing area" under Local Law No. 6 (Bathing Reserves) 2010. For bathing reserves, refer to Cairns Regional Council Register for Bathing Reserves # 2983320	Boat or vessel (less than 6 metres long)	Lifesavers on duty where aquatic equipment is used by the general public, permitted only if: (a) the owner or operator does not live on the boat or vessel or other device, whether temporarily intermittently or permanently, in the water; and (b) the following safety measures are in place:- (i) it is operated safely; and (ii) not taken within 50 metres of people in the water, or anchored boat.
	Jet ski	
	Surf ski	
	Another device, whether motorised or not for use on or in the water to carry a person or thing across or through the water or for recreational use in the water (less than 6 metres long)
