

**9.3.25 Veterinary services code**

**9.3.25.1 Application**

- (1) This code applies to assessing development for Veterinary services.
- (2) When using this code, reference should be made to Part 5.

**9.3.25.2 Purpose**

- (1) The purpose of the Veterinary services code is to ensure that Veterinary services uses are appropriately located, designed and operated.
- (2) The purpose of the Veterinary services code will be achieved through the following overall outcomes:
  - (a) activities associated with the operation of veterinary services are conducted in a manner that mitigates potential amenity impacts on adjoining and nearby premises.

**9.3.25.3 Criteria for assessment**

Part A - Criteria for assessable development

**Table 9.3.25.3.a – Veterinary services code – assessable development**

Performance outcomes	Acceptable outcomes
<b>For assessable development</b>	
<b>Operation</b>	
<p><b>PO1</b> All activities associated with the treatment of animals are undertaken within an environment that incorporates sufficient controls to ensure that adjoining premises are not adversely affected by unreasonable noise.</p>	<p><b>AO1.1</b> All activities associated with the treatment of animals are undertaken within a fully enclosed building incorporating sound insulation measures to ensure that no noise resulting from the operation of the use exceeds background noise levels measured at any sensitive land use.</p>
<p><b>PO2</b> Veterinary services are supervised to the extent necessary to ensure:</p> <ul style="list-style-type: none"> <li>(a) the well-being of the animals housed within the facility;</li> <li>(b) the preservation of amenity on adjoining premises.</li> </ul>	<p><b>AO2.1</b> No acceptable outcomes are provided.</p>
